### FROM EDITOR'S DESK

Rtn. Goutam Mandal

Dear Rotarians and Esteemed Members,

As we continue to embark on our journey of service and community engagement, I am pleased to provide an update on our recent activities and upcoming initiatives. Please enjoy our services to society. We are all proud members of Calcutta Amory.

As we all know, Amar da and Parimal da are experiencing some health issues. We wish both of them a speedy recovery and good health.

# PROJECTS FOR THE MONTH

## INDEPENDENCE DAY CELEBRATION ALONG WITH SENIOR CITIZEN FELICITATION

With the completion of 77 years of Independence, we thought, why not listen to the stories of people who have seen the transition to the independence era? On August 15, with the celebration of Independence Day, we felicitated people above 80 years to recognize their presence during our liberation from British Rule. It was great to see their enthusiasm. We thank Ms. Pooja Panja, Councillor, Ward No 8, KMC, for her gracious presence and association. We thank the Rotary Club of Salt Lake Green City for participating in the event as an associate co-host.

# TREE PLANTATION

Tree Plantation on Independence Day as tribute to mother earth by the members of Rotary Club of Calcutta Amory at Jagat Mukherjee Park and adjoining areas.

Thanks to Ms. Pooja Panja, Councillor, Ward No 8, KMC for her support and inspiration.

## PROJECT AT OUR RCC

### Mosquito net distribution

We always believe that "we can do small things with great love."

A glimpse of mosquito net distribution at our RCC.

This time, we asked a recipient to give it to another recipient.

They enjoyed it like nothing, and at the same time, they also felt the joy of giving, like we always enjoy when doing any service project for society. We all present there truly felt THE MAGIC OF ROTARY.

## PROJECT AT OUR RCC

Computer Center at RCC  
supported by Rotary Club of Calcutta Amory  
Donated two desktops

First Computer Training Center for our RCC.

Rotary Theme for September: “Basic Education and Literacy,” one of Rotary’s Seven Areas of Focus.

The opening of a computer training center for our RCC is a satisfactory start to the month. In today's world, digital literacy is a must to keep up with the pace and use the huge resources available on the web.

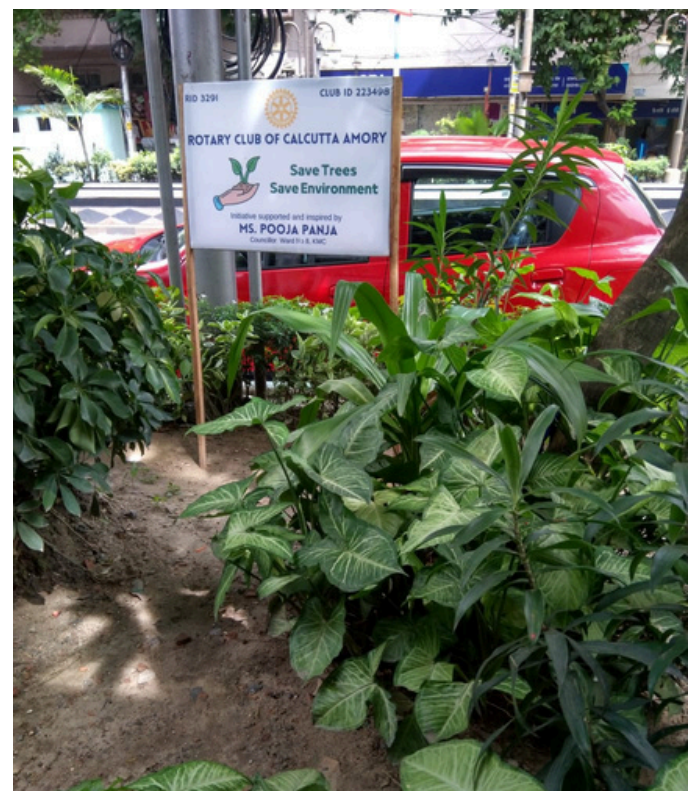

Admission already started, and courses are beginning Sep 02. Thank you, Rotary Club of Calcutta, for your SIKSHA LABH—II initiative. It will be a boon for students, especially those in rural India.
