Rtn. Sathish R.

President

2024-25

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

“Whatever Rotary may mean to us, to the world it will be known by the results it achieves.”

Paul Harris

Rotary founder

Secretary's Message

Dear Rotarians and Friends,

It is an honor to serve as the Secretary of the Rotary Club of Nanganallur Elite for this Rotary year. As we embark on this new chapter, I want to express my unwavering support to our Club President. My commitment to assisting in the realization of our shared vision is unconditional, and I am confident that, together, we can achieve our goals.

Rotary International, with its global network of committed individuals, has long been a beacon of hope and service across the world. This year is particularly significant for us as our club is now part of the newly formed Rotary District 3234, which was previously a part of District 3232 which has long served to the community and thus created great impacts and having built a legacy.

This transition presents us with fresh opportunities to expand our impact and strengthen our presence within the community. We are excited to contribute to the growth and success of our new district as a Club which actively participate under the guidance of District's leadership.

One of our key focuses this year will be to enhance member involvement. The energy and enthusiasm that each of you brings are the lifeblood of our club. Greater participation will not only strengthen our initiatives but also invigorate our collective spirit, enabling us to reach new heights in service and fellowship.

Additionally, I see our role as a bridge, connecting our deserving community with those who wish to support our causes. By fostering stronger ties between our club, Rotary District 3234, and potential donors, we can amplify the impact of our projects, making a meaningful difference in the lives of those we serve.

I look forward to work closely with each of you as we strive to make a lasting impact on our community, in line with the values and vision of Rotary International. Let us embrace this journey with dedication, creativity, and a shared sense of purpose.

Rtn. Sivashanmugam R.

Secretary
2024-25

Rotary

The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

From RI President...

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs. That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict. We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there. The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted. I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing The Magic of Rotary.

Stephanie A. Urchick
RI President 2024-25

From District Governor...

Rotary Club of Nanganalur Elite has been scaling up its impact and good will in our community year on year through meaningful community service projects, membership growth and active participation with district engagements. The club has a blend of rich rotary experience, fellowship and contributed dynamic leaders to the Magic District Team of 2024 . I congratulate the club and its members for being a cradle for leadership, nurturing the rotary spirit through the myriad projects.

The Incoming leader Rtn.Sathish taking on as the Presidents for 2024-25 has brought in fresh zeal as every year a new president brings with him new ideas and new flavours to take the club to new heights. I am sure Rtn Sathish along with first lady Rtn. Meena, Club Secretary Rtn. Sivashanmugam and the Magic board of 2024-25 will weave magic of rotary to touch many needy lives .

As a charter district Governor for RID 3234 i envision our district to be a space where each rotarian in our district can experience the 'Joy of being a Rotarian' and i urge Rotary club of Nanganalur Elite to be our partners in this mission and collaborate with more clubs in the district so we can build a strong fraternity of rotarians where excellence and celebration become our hallmark and meaningful impact a natural consequence for the good we do.

I wish every member of Rotary Club of Nanganalur Elite and their family a magical year ahead.

I invite you to join me and my partner Ann Bharathi in the magical journey ahead and participate in the district events and initiatives also.

Magic is a gift not all can see , but for those of us who can , we are blessed.

I am sure you all feel the same that we are all blessed .

Our district is a galaxy of vibrant clubs and each club has its unique fragrance, so let's spread our fragrance and together rise into a district that that we will be proud of building together.
