PRESIDENT RTN. ARUNREKHA GOGIA'S MESSAGE

LET THE GOOD TIMES ROLL & OUR VISION SOAR!

My incredible fellow Rotarians,

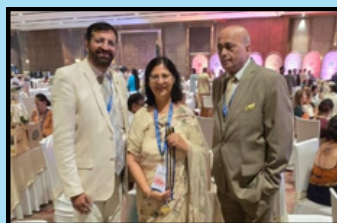

Your new President, bursting with excitement, a bit nervous as we kick off this new Rotary year, I'm feeling a surge of pure fun and unbridled optimism for everything we'll achieve together!

KALINDI is a snapshot of our collective energy, shared laughs, and the magic that happens when passionate people unite. Flip through these pages and feel the buzz Kalindi Team has created – it's infectious! My vision for this year is simple yet powerful: to ignite an even stronger spark of engagement and innovation within our club. Let's explore new ways to serve, embrace fresh ideas, and truly make our presence felt in the community. Rotary is fellowship.

As Frank L. Mulholland said, "Real fellowship is frank, spontaneous, full of warmth." Let's make our meetings places where ideas spark, friendships deepen, and brilliance lights up the room. Let's also carry forward profound wisdom. Mahatma Gandhi beautifully articulated, "The best way to find yourself is to lose yourself in the service of others." This isn't just a philosophy; it's Rotary's heartbeat. Taking the baton from IPP Rtn Rohit Seth brilliant performance, we embark on a journey filled with not just serious Rotary business, but also incredible friendship, joyous fellowship. We'll find immense joy travelling together. We're truly blessed to have the unwavering guidance of stalwarts like our PDGs and Past Presidents, the infectious energy of our R'Anne group, and the tireless dedication to numerous projects that elevate our community, especially with Rtn Arun Roongta at the helm. and the tireless efforts of our ever-energetic Secretary Rtn Sarvadeep Sachdev, Rtn S.K. Agarwal, Rtn Gurinder Kaur and the entire team. We are truly a blessed effective lot!

This year, we're particularly excited to embrace the Rotary International theme "Unite for Good." This powerful message encourages us to work even closer, combining our strengths to create greater positive change. The power of unity and collaboration is key to achieving Rotary's ambitious goals of service and impact. So, let's roll up our sleeves, unite for good, and make this year one for the record books. Let's make some magic! Regards, President Rtn Arun Rekha Gogia
