PRESIDENT RTN. ARUNREKHA GOGIA'S MESSAGE

A September to Remember: Growing Our Impact

Hello Rotary Club of Delhi West Members, As we embrace September, a month of new beginnings, I'm filled with pride and gratitude for our club's recent accomplishments. Your dedication is truly what makes us a force for good. This past month, our projects have made a real impact. We successfully organized a Cervical Cancer Vaccination Camp, providing a huge step forward in protecting the health of 240 young girls. Our partnership with the Sarvarth Foundation and other organizations was key to this success. We also hosted a Mega Eye Camp in association with Shroff Charity Eye Hospital, offering free cataract surgeries and spectacles to many in our community.

Additionally, we launched a Digital Health Assistant course for 15 enthusiastic students, a project we're undertaking with SATHI and the Sarvarth Foundation. At our recent club meeting, we were enlightened by our guest speaker, Dr. Shafali Garg, who spoke on the influence of astrology on our lives. We also had the pleasure of welcoming three new members to our club—a wonderful sign of our continued growth. A special thanks to PDG Rtn Ramesh Chander for his generous contribution to the Punjab Relief Fund. Your commitment, even through personal challenges, is truly commendable. Let's continue to focus on growth in both our membership and our impact. Thank you for your active participation and dedication. I am proud to be your president, and I'm excited for what we will accomplish this month.

Yours in service,

Arun Rekha, President, Rotary Club of Delhi West
