STRONG | BEAUTIFUL | POWERFUL

Editor's Note

"Strong women have always been at the forefront of progress and change — challenging norms, breaking barriers, and paving the way for future generations. Their resilience, courage, and determination serve as beacons of inspiration for people of all genders. Whether in politics, science, literature, or activism, strong women have made their indelible mark, demonstrating that strength comes in many forms and often against formidable odds."

And here are some empowering quotes that celebrate the beauty and strength of women:

"The most beautiful thing a woman can wear is confidence." — Blake Lively

"Beauty begins the moment you decide to be yourself." — Coco Chanel

"You are more powerful than you know; you are beautiful just as you are." — Melissa Etheridge

Feel free to embrace your strength and shine brightly! 💪✨

Dear fellow Rotary leaders:

As we begin a new year of service, let us not forget the importance of every one of Rotary's members.

We need your leadership now more than ever if we are to make every club and district an irresistible experience. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and unlocking the power of girls and women.

Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us the potential to improve our communities and the world. By following Rotary's Action Plan and helping make sure all members feel a sense of belonging in their club, you have a special opportunity to inspire members to new heights of service.

Our ability to create lasting change begins with our family of Rotary. Together, it is within our power to bring healing in a divided world.

Join me in making Rotary a source of strength for those who need it most, within and beyond our membership. Let this be the year we harness The Magic of Rotary, and let Rotary be known as an organization that takes care of its members as well as the people we serve.

It is within your power to help make Rotary a beacon of goodwill and fellowship in every community.

Remember that your work can and will change the world with The Magic of Rotary. Warm regards,

Dear President Rtn. Akanksha Agrawal,

Accept my heartiest congratulations on being appointed as President of Rotary Club Kanpur Divinity for the Rotary year 2024-25. By taking along your team and club members, you will play a pivotal role in this Rotary year. Your leadership is crucial in making your club diverse, inclusive, and irresistible, thereby **spreading the Magic of Rotary**.

Inclusivity and diversity are key to expanding our reach. I urge you to make Rotary Club Kanpur Divinity **diverse** by welcoming individuals from various backgrounds, professions, ages, and genders. Consider establishing satellite and cause-based clubs, next-gen clubs, and utilizing Rotary International's flexibility to strengthen both your club and the wider Rotary network.

An **irresistible** club not only fosters an inclusive and welcoming environment but also offers ample opportunities for personal and professional growth for all members, both old and new. It is through such a club that we can make a tangible positive impact on society, both locally and globally. *This is what we should aspire to achieve.*

It's fantastic to see **AVYANNA**, your own club's magazine. It'll be instrumental in creating a vibrant platform for members' voices and their articles. It will undoubtedly serve as an excellent promotional tool for your club. Best wishes for the journey ahead. Let us come together and create the Magic of Rotary for our members and for society at large.

What is your commitment to yourself being the flag bearer this year in Divinity?

RCK Divinity all women Rotarians club was a dream & formed by Late DG Rtn. Vivek Garg ji. He assigned me as President in 2023-24 to lead the club under Rotary International protocols & with his blessings & member's support Divinity club is now one of the prestigious clubs in Rotary District 3110.

My commitment as Past President is to maintain & upraise RCK Divinity year by year & that will be our true homage to him. My full support will always be with each member.

What is your mantra to motivate yourself for upcoming challenges?

Kanpur is a city of clubs, here most of the women are actively participating in different clubs and the best part is they openly discuss & provide reviews by praise, comparing & criticising about organisations.

RCK Divinity is calmly ready to face these challenges with maintaining as one of the leading clubs in Kanpur in just 2 yrs. & my mantra for this is "Action speaks louder than words".

The Power of Women Supporting Women

Women's empowerment is not just a buzzword; it's a movement that transcends generations. As we celebrate Women's History Month, let's recognize that the secret to women's empowerment lies within us—the women themselves. Here are three steps we can take to continue moving the needle toward equality:

Sponsorship at Work: Mentorship is valuable, but sponsorship is transformative. While mentors guide and advise, sponsors actively advocate for us. For women, it's essential to have sponsors who fight for our career growth, especially when decisions are made behind closed doors. Seek out sponsors who can offer strategic guidance and help you make a bigger impact in your organization.

Invest in Women: We control significant consumer spending and own substantial investable assets.

Let's channel this power to uplift other women. Share success stories, stand up for each other, and create networks that can't be ignored. As Elastigirl from "The Incredibles" said, "Leave the saving of the world to the men? I don't think so." We are the solution.

Collaborate and Amplify: Our collective voice is potent. By banding together, we can create change. Whether it's advocating for equal pay, breaking glass ceilings, or supporting women-led businesses, collaboration amplifies our impact. Let's celebrate our achievements and continue pushing boundaries—for ourselves and future generations¹.

Remember, women's empowerment isn't about waiting for someone else to empower us; it's about recognizing our strength and lifting each other up. Together, we can create a more equitable world.

The Road to Success: Paved with Motivation

Success isn't a straight highway; it's a winding road with twists, turns, and uphill battles. Along this journey, motivation acts as our fuel—the driving force that keeps us moving forward. Here's how motivation paves the way to success:

Clarity of Purpose: Motivation begins with a clear vision. Define your goals, whether they're personal or professional. Understand why you want to achieve them. This clarity fuels your determination and propels you toward success.

Resilience: Motivation helps us bounce back from setbacks. When obstacles arise, it's our inner fire that pushes us to try again.

Remember Thomas Edison, who failed a thousand times before inventing the light bulb. His motivation kept him going.

Consistent Effort: Success isn't an overnight phenomenon. It's the result of consistent, focused effort.

Motivation ensures that we show up every day, even when progress seems slow. Small steps accumulate into significant achievements.

Positive Mindset: Motivation cultivates positivity. When we believe in our abilities, setbacks become stepping stones.

Surround yourself with uplifting influences—books, mentors, or inspiring quotes—to maintain that positive mindset.

Adaptability: Motivation encourages adaptability. As circumstances change, we adjust our sails. Think of successful entrepreneurs who pivoted their businesses during challenging times. Their unwavering motivation fueled innovation.

In summary, motivation isn't just a fleeting feeling; it's a mindset. Cultivate it, nurture it, and let it pave your road to success—one step at a time.

How can I be fashionable?

Fashion to me is FREEDOM. Freedom to be able to wear and carry anything with confidence. Even a simple crisp White Cotton Suit carried with Oxidised Jewellery, a pair of Stylish Shades, a Handbag and a Golden Watch is sure to make a fashion statement.

Tell something what is evergreen fashion?

Indeed A Saree is an Evergreen Indian fashion that flaunts the perfect curves of each woman. Even though there are any flaws in our body, this ensemble is sure to make you look 'FLAWSOME'

Your mantra of color coordination?

White and Gold is an all time classic and Black is perfect for any Glam night event. Neutrals are always a safe bet for any occasion!

How can I be fashionable?

Choose neutral colours, they serve as a fantastic base: think black, grey, navy, tan, white. Pay attention to shape. Take advantage of accessorizing.

Tell something what is evergreen fashion?

Evergreen fashion is a fashion concept that doesn't follow trends or styles yet manages to be relevant and fashionable at the same time. Style that stands tall always like: a white shirt, a black blazer, pair of loafers, a beige and white combination etc.

Your mantra of color coordination?

My mantra for colour coordination: Try to avoid more than 3 colours in your outfit at one time. Use complementary colours like blue and orange for example when used together they create striking contrast that can add interest and depth to your outfit.

सफलता की ओर बढ़ते चलो,
अपने सपनों को पाने चलो।
हार-जीत, जीवन की राह में,
आत्मविश्वास को बनाने चलो।

अगर तू जीवन की ऊँचाइयों पर,
अपने कदम रखता जाए,
तो सफलता तुझसे मुस्कराए।

जीवन की धूप में भी चमकते रहो,
अपने सपनों को पूरा करो।
संघर्ष की राहों पर बढ़ते चलो,
खुद को और बेहतर बनाने चलो।

तू जिंदगी को जी,
उसे समझने की कोशिश न कर
सुन्दर सपनों के ताने बाने बुन, उसमें
उलझने की कोशिश न कर
चलते वक़्त के साथ तू भी चल, उसमें
सिमटने की कोशिश न कर
अपने हाथों को फैला, खुल कर साँस ले,
अंदर ही अंदर घुटने की कोशिश न कर
मन में चल रहे युद्ध को विराम दे,
खामखाह खुद से लड़ने की कोशिश न कर
कुछ बातें भगवान् पर छोड़ दे, सब कुछ
खुद सुलझाने की कोशिश न कर
जो मिल गया उसी में खुश रह, जो सकून
छीन ले वो पाने की कोशिश न कर
रास्ते की सुंदरता का लुत्फ़ उठा, मंजिल पर
जल्दी पहुंचने की कोशिश न कर...
