Dear Members

As the golden hues of September dawn upon us, we are reminded of the transformative power of literacy. Literacy is the beacon that illuminates the path to a brighter future, a key that unlocks the doors to endless possibilities. It is the foundation upon which we build a world free from poverty, a world where child mortality is reduced, population growth is balanced, gender equality is achieved, and sustainable development, peace, and democracy flourish.

In the heart of Rotary's mission lies the unwavering commitment to basic education and literacy. This September, designated as "Rotary Literacy Month," we celebrate this noble cause, recognizing its profound impact on individuals and communities alike.

Every soul deserves the gift of literacy—the ability to read, write, and revel in the power, pleasures, and independence it brings. For some, this journey is a gentle stroll; for others, it is a steep climb. Yet, for approximately 18 percent of today's world population, this journey remains an unfulfilled dream.

How you can help our Club to turn dreams into reality:

Yours in Rotary
Rtn PHF Subramanya
