## “From the Pen of Manoj Mishra,”

Sometimes reality is stranger than fiction. When you choose the subject, you have not studied, you become a leader.

Rotary is a new subject for us at RCSS, yet we are doing fairly well.

Our doing so many projects and attending almost all the programmes of District has got us a good recognition in a very short time. Our growth is visible to DG and the whole

District - and this growth is not merely vertical. We are growing up and we are spreading our wings wider and wider. Our helping hands are reaching out to more and more needy persons. We have already found one RCC and are in the process of initiating another one. Resonating with the Rotary motto of growing, helping and taking everyone together, we are steadfastly on our track. May RCSS keep on doing good works for the underprivileged and foster deeper bonds amongst the fellow members and with wider Rotary tribe.

Rotary Club of Kolkata Subhash Sarovar (RCSS) proudly celebrated International Peace Day on September 21, 2024, at Spring Club.

PDG Ravi Sehgal graced the occasion as the Chief Guest and Keynote Speaker, sharing invaluable insights on promoting peace and harmony.
