NEWS LETTER NO 46 : 12th May TO 18th MAY 2025

Dear Rotarians and Anns,

This week was packed with learning and action. Informative fire safety demonstration and insightful Industrial visits offered a deeper understanding of the real - world processes and professional environments.

PROJECTS OF THE WEEK

Project: 90

Name of the Project : Disaster Management
Date of Project: 16 / 05 /2025

Project Description : Educational Visit to VSP Aqua Mist Pvt. Ltd.

Our recent visit to VSP Aqua Mist Pvt. Ltd. proved to be a highly informative and engaging experience, especially for the rotakids, members and Rotaractor who accompanied us. The purpose of the visit was to familiarize with the various types of fire extinguishers, their mechanisms, and the critical importance of fire safety awareness and disaster management.

Rtn Prathamesh and his staff took time to explain the mechanism behind each type of extinguisher—how they operate, how the internal pressure works, and what makes each agent effective in interrupting the fire triangle (fuel, heat, and oxygen). This included a deeper look into the chemistry of fire extinguishers, such as how dry chemical powders like monoammonium phosphate help to smother flames and prevent re-ignition, and how carbon dioxide displaces oxygen to suffocate the fire.

The session concluded with an interactive Q&A where the rotakids enthusiastically participated, reflecting their genuine interest and curiosity.

Thanks to Rtn Prathamesh Chakradeo for this project and industrial visit.

Thank you Rtn Renuka for your support and snacks.

We meet on Friday at 7.30 pm at Navdrishti Hall, The Blind Relief Association, Opp. Dikshabhumi, Nagpur

The leaflets highlighted key points every consumer should check before buying any product—such as verifying the trademark, checking the expiry or manufacturing date, ensuring the presence of MRP (Maximum Retail Price), and being alert to product authenticity and packaging details. Recipients were encouraged to paste these leaflets in visible public places, especially near grocery shops, marketplaces, and busy streets. This helped spread awareness in local neighborhoods and empowered citizens to be vigilant and responsible consumers.

Thanks all those present for your support.
