## From the Desk of Inspire President 2025-26 Rtn. Suyog Gangavane

**W**arm greetings to all fellow rotarians, members and generous donors!

It is with great humility and gratitude that I accept the role of President of the Rotary Club of Mumbai Bandra Kurla Complex for the Inspire Year 2025–26. Being entrusted with this responsibility by my fellow Rotarians, many of whom have mentored and inspired me, is both an honor and a commitment I deeply value. Having been associated with Rotary for over eight years, this leadership role is not just a milestone in my Rotary journey but a platform to contribute more meaningfully towards the values we all stand for — Service Above Self, Integrity, Fellowship, and Leadership.

In the year ahead, our club will focus on impactful community service projects aligned with the larger goals of Rotary International. We aim to initiate sustainable urban & rural development programs, inclusive Senior Citizen programs, advance healthcare and education access in underserved regions and support youth empowerment through structured mentorship and leadership platforms.

“

Service is our path, unity is our strength, and inspiration is our legacy. Let's inspire & Unite for good towards making a lasting difference in the community.

At the same time, we plan to strengthen our club's internal fellowship, encourage professional success among members, Membership growth and foster strategic partnerships with corporates and civil society for greater outreach. Our signature initiatives this year will revolve around Environment, Solar electrification, Education & Safety programs while having a collaborative CSR-driven impact.

We envision each project not just as an act of service, but as a step towards building a more inclusive, empowered, and sustainable society. With collective passion and purpose, we aim to create ripples of change that echo far beyond the boundaries of our club.

My vision as President is to make our club a hub of purposeful service and collaborative leadership. I believe each Rotarian brings a unique strength to the table and by enabling each member to shine in their own capacity, we build a stronger Rotary movement together. My mission is to lead by example, listen before I speak, and ensure that every initiative, whether big or small, carries the soul of service. With humility in heart and clarity in action, I commit myself to ensuring that the Inspire Year 2025–26 becomes a year of action, alignment, and inspiration for our club, for our communities, and for Rotary at large.

Rotary leadership is not about leading from the front, it is about standing beside those in need, behind those who serve, and ahead of challenges yet to come. True leadership is measured not in titles, but in lives touched, hearts moved, and hope restored.

Message From Rotary International President:

## Let's Unite for Good-for our clubs, our communities, and our world.

**Rtn. Francesco Arezzo**

President, Rotary International, 2025-26  
A member of the Rotary Club of Ragusa, Italy

**W**arm greetings and congratulations upon your installation.

Two weeks ago, I was in my living room playing with my grandchildren. A few days later, I was on a plane to Calgary, suddenly carrying the responsibility of leading this incredible organization. Life come fast, but so often, it brings us exactly where we're meant to be.

This is how we build strong clubs. It's how we create meaningful partnerships and transform global problems into local solutions. It's also how we lead-not through titles or applause, but with humility, humanity, and heart. But let me be honest with you-this kind of leadership is not always easy. We're human and yes, we make mistakes. We sometimes disagree, but in Rotary, we are called to something greater. let us reflect on the full vision of Rotary:

Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

“

We begin this year with a clear message; Unite for Good. It is a simple phrase, but a powerful one. Because behind every successful Rotary effort, every act of service, every new member welcomed, every global challenge met-there are two things that matter most: friendship and trust.

The last part is essential, because transformation doesn't start with strategy. It starts with character and the way we treat one another. It starts with how we listen, how we support, and how we serve.

This year, I ask you to lead with that spirit. To grow Rotary through relationships. To make your clubs more welcoming, more flexible, more open to new ideas. To think big-but also to think beyond one year. Our term is short, but our impact can be lasting if we plan and act with continuity and vision.

Let us remember our key priorities: membership, polio and peace. We are closer than ever to ending polio. We cannot stop now. We must keep the promise we made tot he children of the world. And as for peace-Rotary has been building it for over a century. Every clean water system, every youth exchange, every maternal health project is a step toward peace.

So now, my friends...take out your dreams tucked away in a drawer, especially those you thought were too big or bold to achieve. Let's bring them into the light. Let's Unite for Good-for our clubs, our communities, and our world. And let's make this a year not only of service, but of joy, of connection, and of love.
