May is Youth Service Month

In May, Rotary focuses on Youth Service Month, highlighting the importance of empowering young people through leadership development and service projects. Rotary clubs and Rotaract clubs around the world engage in activities that support the development of young leaders, promote youth service initiatives, and celebrate the impact of these programs.

INTERACT

Interact is a Rotary-sponsored service club comprised of 14-18 year olds. Interact gives young people the opportunity to take part in fun, meaningful service projects. Along the way, Interactors develop their leadership skills and initiative while meeting new friends. Members exchange ideas, opinions and plans with other talented, energetic people, in an atmosphere free from negative pressures and distraction. Interact strives to promote student leadership, local volunteer service, and to make members aware of the many global and world issues that effect people everyday.

ROTARACT

Rotaract is a Rotary-sponsored service club for young people ages 18-30. Rotaract clubs are usually community or university-based and are sponsored by a local Rotary club, making them true "partners in service" and key members of the Rotary family. Young adults augment their knowledge and skill and also address the physical and social needs of their communities while promoting international understanding and peace through a framework of friendship and service. Rotaractors also often spearhead the formation of Interact clubs and participate in RYLA.

ROTARY YOUTH EXCHANGE

Rotary Youth Exchange is an excellent and inexpensive way for high school age students to travel and study in a foreign country. Youth exchange gives the participant the opportunity to improve their language skills and school and family experiences will teach them the culture of their host country. They also act as ambassadors for their home country. Each year the Rotary Districts that are part of CSRYE send approximately 300 young people to other countries and accept 300 young people from other countries in return.

RYLA

Each year thousands of young people take part in the Rotary Youth Leadership Awards (RYLA) programs worldwide. Young people are chosen for their leadership potential to attend a seminar, camp or workshop to discuss leadership skills and to learn those skills through practice. RYLA aims to:

- Demonstrate Rotary's respect and concern for youth;
- Provide an effective training experience for selected youth and potential leaders;
- Encourage leadership of youth by youth; and
- Recognize publicly young people who are rendering service to their communities.
