February is Peace and Conflict Prevention/Resolution Month

The month of February is very special in the Rotary calendar because it includes the anniversary of the first meeting of Rotary held on February 23, 1905, in Chicago. That day is now designated as the "World Understanding and Peace Day".

This is an opportunity for Rotary clubs and districts to promote Rotary's public image.

There are a variety of tools available at the Rotary Media Center:

www.rotary.org/en/public-relations

Here are 8 ideas to celebrate Rotary Day:

1. Create a Rotary history speakers bureau. Have Rotary club members in the community speak at the Library, Chamber of Commerce, and schools on the value of volunteerism, using project examples from Rotary's century of service.
2. Have the members of your Rotary club commit to a total of 109 hours of volunteer service during the week of Feb 16 to 22. Announce the total on Feb. 23
3. Write a newspaper article or letter to the editor to highlight what Rotary has accomplished locally and globally in the past and why it remains relevant today. Place it in community or school newspapers. A template for a Rotary Day news release is available at: RotaryDayPressReleaseTemplate <https://www.rotary.org/en/document/858>. This should be updated and personalized for the local media.
4. Request your community's mayor to proclaim February 23 "Rotary Day" in your town. A sample proclamation is available at: <https://www.rotary.org/en/document/859>. This also needs to be updated for 2022 and for your community.
5. Write an article on the history of Rotary in your community. Focus on vocational, community, youth and international service. Submit it to your local newspaper for possible publication.
6. Coordinate with a local television station or radio station to have Rotarians appear on a morning talk show or evening news segment in honor of Rotary Day. They can highlight Rotary history and local and international service efforts.
7. Collect items for distribution to those in need, such as shoes, school supplies, coats, gloves, and eyeglasses, and distribute them during a Rotary Day event.
8. Create a giant birthday cake in the shape of a Rotary gearwheel to mark Rotary's birthday, and invite the community or media to share it.

Phoenix Pongal Celebration

Project Date: 15 January 2025

Project Venue: Vanavil Farms Karipatty. Salem.

PROJECT - 28

Every year, RC Phoenix organizes a lavish celebration of the Pongal festival with family members.

Similarly, we scheduled our party at our IPP Rtn. Kesavaraj's farm, Vanavil Farms, Karipatty, this year.

A wonderful day began with all of the traditional games at 11:00 a.m. Rotarians and Ann's Annets took part in the event and had a good time. About 40–50 members, along with members from other clubs, came together and contributed to making the day special. It felt like a village lifestyle with its traditional lunch, fun-filled games, and customs.

கலாசார திருவிழாவில் அரசுப் பள்ளிகளைச் சேர்ந்த சுமார் 120 மாணவர்கள் பேச்சுப்போட்டி, நடனம், பாடல் மற்றும் பிற நுண்கலைகளில் தங்கள் திறமைகளை வெளிப்படுத்தினர். அனைவருக்கும் நினைவுப் பரிசு மற்றும் சான்றிதழ் வழங்கப்பட்டது.

Another feather in our cap: the RC Phoenix project was featured in our Rotary News Monthly Magazine for the second time. It was a significant public image Project. In order to support the pupils of Maniyanoor Govt School in Salem, RC Phoenix planned a cultural event for all of the students in collaboration with the TN government. All 120 participants received a shield and certificate from RC Phoenix.
