TREASURER 2024 - 25

## November is Rotary Foundation Month – Here's why!

Each year, Rotary International highlights November as Rotary Foundation Month to emphasize the importance of and need for Rotarian support of The Rotary Foundation. Contributions from Rotarians around the world go to the Foundation's Annual Programs Fund, which provides grants and awards through Foundation programs; and the Permanent Fund, an endowment from which only the earnings are spent in support of Foundation programs, ensuring the long term viability of the Foundation.

Every dollar contributed by Rotarians funds humanitarian and educational programs and program operations. Clubs and districts apply for and receive Foundation grants to carry out worthy projects worldwide..

If Rotary is to be there to teach children to read, build wells, feed the hungry, care for the sick, shelter the poor; then Every Rotarian is invited and encouraged to support the Annual Fund with a personal contribution, Every Year.

Visit the Rotary International website ([www.rotary.org](http://www.rotary.org)) to make your gift: one time, regular/sustaining (recurring gift at the timing of your choice), to the program area of your choice – all of the information is there for you to choose what would be most meaningful to you.

Or – you can visit [www.rotary.org](http://www.rotary.org) and click on The Rotary Foundation for additional information on ways to give, as well as to learn more about how our gifts make a difference around the world. Let's meet the yearly challenge to get 100% participation in the annual fund this year and set the standard for every year to follow!

## Diwali Celebration- Family Meet

PROJECT - 17

One of the most commonly observed holidays in our club is Diwali, also known as the Festival of Lights. It is renowned for providing a special chance for our member's family to unite in the spirit of giving, service, and camaraderie—all of which are ideals of Rotary.

The day started with a formal family gathering in accordance with Rotarian procedure, followed by festivities.

Since every Clubs are often focused on community service, this celebration could also be an opportunity to raise unity and understanding between Ann's & Annet's too.

it all started with children enjoyment added with tons of funny games, activites, gifts, fireworks, etc. While the Rotarians were busy getting ready for the gala lunch, Ann's were occupied with their gathering and gossiping. All together made the swimming pool a party pool.

Finally ended up with an amazing lunch with fantastic weather.

## Club Out Door Meet

**Project Date: 05 October 2024**

**Project Venue: Humming Birds Villa. Yercaud.**

PROJECT - 19

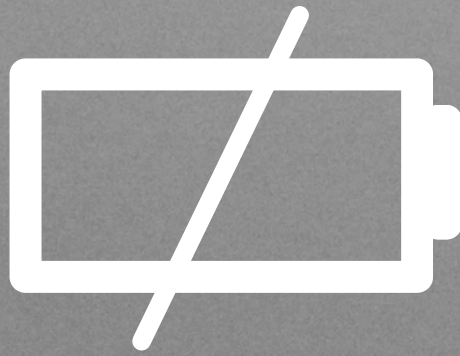

The day before the seminar was held, we had a laid-back get-together for our weekly meeting at Yercaud. It was a great place to spend time.

Despite the lack of participation the day before, we were twelve people present for the seminar session.

The man left to me gave his cottage for the delightful evening

## REST AGAIN

### BATTERY MAINTENANCE

The battery is one of the most crucial components of your phone. Taking care of it ensures optimal performance and longevity.

#### Avoid Overcharging

Charge Between 20-80%: For better long-term battery health, try to charge the battery at 20% and let it be till 80% at least. How long the charging cycle is maintained the Battery Ages well.

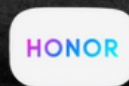

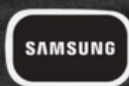

#### Reduce Battery Drain

Many phones have a built-in battery manager or "battery saver" mode that helps optimize power consumption. Network Section of the phone consumes more power than rest, so its good to have better network strength for a good battery logitivity

#### Use Battery Health Monitoring Tools

Many smartphones have built-in tools to monitor battery health. Regularly check the battery's health in your phone settings to ensure it's still in good condition. Some phones also show the battery's charge cycle count (how many full charges the battery has gone through).
