

ANNUAL REPORT OF YEAR 2023-24

Club Action Plan 1 ENHANCE PARTICIPANT **ENGAGEMENT**

Let's use every encounter as an **opportunity** to show people how **getting involved** with Rotary allows them to make a bigger difference in their **communities** and for causes they care about.

In your club, this might look like...

Make all members feel like they have a role in the club and make sure that anyone who engages with your club feels empowered to share their ideas and get involved.

Club Action Plan 2 INCREASE OUR ABILITY TO **ADAPT**

Let's create a **culture of research, innovation, and willingness to take risks** so we can learn, evolve, and **better serve** our communities.

In your club, this might look like...

Ask members what your club should continue, start, or even stop doing to ensure that the club reflects the needs of its members and potential members.

Club Action Plan 3 INCREASE OUR **IMPACT**

Let's **develop** and implement the practices, capacity, and infrastructure we need to **define, measure, track,** and analyze data from our **service projects** in a more effective way.

In your club, this might look like...

Develop service projects that reflect the needs of your community and are more effective.

Club Action Plan 4 EXPAND OUR **REACH**

Let's share our values with **new audiences**, create ways to **bring people together** to experience the power of Rotary, and show that we're **inclusive, engaging, compassionate,** and ambitious about making change.

In your club, this might look like...

Work with groups, organizations, and community leaders that you haven't partnered with before.
