## June 2023 Message of Jennifer Jones RI President 2022-23

Speaking to you through the pages of *Rotary* magazine this past year has brought me so much joy. I have especially enjoyed sharing the incredible stories of the wonderful people Nick and I have met on the Imagine Impact Tour.

From Patzún in the mountainous western highlands of Guatemala to a small village outside of Lusaka, Zambia, we have been greeted by countless people who imagine and work toward a better world.

We were inspired by teachers who imagine a better education for girls and boys facing gender-based violence, by Rotaractors in a refugee settlement who created a flour mill to provide for their families in a critical food shortage, and by brave polio workers who push tirelessly to reach every last child.

All of us have imagined Rotary this year. This means looking past what we are today and reaching for what we could be tomorrow. We imagine a Rotary that will continue to tell our stories in impactful ways, work to reduce our carbon footprint, and focus on diversity, equity, and inclusion efforts that lift every voice in our organization and beyond.

Nick and I want to thank all of you for the moments we've shared and for your efforts to *Imagine Rotary*. And now, we look forward to continuing these efforts as we *Create Hope in the World*. It has been an honor and a privilege to serve with each of you.

Jennifer Jones

President, Rotary International

2. Is it **FAIR** to all concerned?
3. Will it **BUILD GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL TO ALL CONCERNED**?

## Message of Rtn Ashok Kantoor District Governor R.I. District 3011

We have now approached our last month of the current Rotary Year and

I feel immensely proud to see that there are more meaningful projects and events being added to our phenomenal body of work with each passing day. The momentum continues relentlessly and each one of you has evidenced tremendous caliber, outstanding zeal to complete your mission and a spark in you that has not diminished with time. We are pleased to celebrate the incredible hard work and commitment of colleagues who have completed their goals plus those who have achieved significant personal accolades such as recognition of TRF contribution or even appreciation for introducing some of the most innovative service projects.

We also focused on bonding and fellowship in the month of May when at a very exciting and thoroughly enjoyable Badminton match at the beginning of the month and later at the launch of the 'The Delhi/NCR chapter of IFMR' (International Fellowship Of Rotarian Musicians). Music is the language of love and it promotes goodwill and understanding and we are really happy that District Secretary Rtn Dinesh Jain, PDG Rtn Dr. N. Subramanian and Rtn Hitesh Jain have taken the initiative to launch IFMR in Delhi/NCR. We are sure it will go a long way in promoting and sustaining Membership and in making Rotary a really enjoyable experience for many.

We also witnessed one of the most vibrant and enjoyable evenings at 'Samavesh' which was jointly presented along with ICCR and at which Honorable Minister of State of External Affairs and Minister of State for Culture Mrs. Meenaskhi Lekhi was the Chief Guest. A large number of Ambassadors, High Commissioners and Diplomats were at the historical event.

I look forward to more happiness and more interactions in the month of June and also hope to see R.I. District 3011 as the top performing District in India.

Rtn Ashok Kantoor

District Governor 2022-23

### Message of Club President Rtn Sunil Kumar Day

This is the last Club bulletin for Rotary Year 2022-23 for covering the monthly Service Projects and other meetings of June 2023. Normally we publish

fortnightly bulletins but this time it is just one for the full month.

The highlight of the June 2023 can easily be our Club getting the Revolving Trophy for the Best New Club with Vision from District Governor on 30<sup>th</sup> June 2023. The 61 Mammography Camps held by the Mission Mammography Chair, 1<sup>st</sup> Lady Rtn Niti Day was the predominant reason for our winning the Trophy. Very proud to mention that we have added one more KV of JNU as our Interact Club. Before that we had KV of Andrews Ganj. You will be proud to know that for the very first time any KV from all over India has become part of Rotary!! This is a very big achievement of our Club that was not noticed by most in the District as these Interactors did not get to take part in any of Rotary functions. Also our 10 month old Club got Elite Award for 2022-23. The other Clubs in this category were all 20 years old! So we have achieved a lot of appreciation and have built a strong foundation. The President also got Elite Award for 2023.

By the time you read this bulletin, the new year of Rotary would have started under the new leadership. I am also pleased to announce that in the next Rotary Year 2023-24, I am part of the District Team in Literacy and more. So I will continue serving the society with the help of all the Rotary Clubs of Delhi - this is another moment of pride for our 10 month old Club. See you one more time in the special edition of Sampada soon.

### A Note by Rtn Niti Day, Chair Mission Mammography:

It was indeed a great year – full of excitement and activities. So much so that we need a special issue of our Club Bulletin Sampada to record all

the 220 Service Projects we have done in the last ten months or so. We have covered very large part of Delhi / NCR with our activities. Some activities like Books for a Cause and Rotary Library by RCD Resources can easily continue as our Club projects, as the incoming President Rtn Rakesh Banga has agreed. Similarly we can continue working with Arya Samaj School of Sarojini Nagar to reinforce the concepts we started there - Art Appreciation Trips and more.

The next issue of Sampada and the Final Bulletin for 2022-23 will provide you all with a glimpse of each project – like a ready reckoner. I like to conclude with my heartfelt gratitude to all the Club members for their support and time without that each of 61 Mammography Camps would have been an unbearable burden.

*I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold, service was joy.*

This is our Flagship Project. On 3<sup>rd</sup> June 2023 – It was a proud moment for our Rotary Club of Delhi Resources, when the 1<sup>st</sup> Lady Rtn. Niti Day and President Rtn. Sunil Kumar Day donated for the fourth time this Rotary Year, around 530 books to 'Book Shop for a Cause', the unique book shop at Lajpat Bhawan, Lajpat Nagar, New Delhi – 110024. From the Book Shop Ms. Manisha received the books. Our Club wants to repeat it as often as possible. Also different ways to assist the 'Book Shop for a Cause' with their different needs at different times / events. They send boxes of books all over India to purchasers to love to gift Preloved Books. Their sale from books allows them to run many activities of Sisters of the People (a wings of Servants of People Society) to benefit underprivileged members of society. Students from different institutes come & do voluntary work here. We celebrated their contribution with a cake; bread roll & cold drink & that was the fun part of our service project.

An Art Appreciation Trip #7 was held at Bikaner House, Pandara Road, India Gate, New Delhi - 110011. There were 22 students and 4 teachers of SKV, Andrews Ganj, New Delhi - 110049, who had a great display of their own works at the gallery. They had their 1st time great experience of being part of such a display at a very prestigious gallery of Delhi. This Signature Project #2 of our Club is the brainchild of the 1<sup>st</sup> Lady Rtn. Niti Day. She is also the Chair for Art and Heritage of our RCD Resources.

Our Rtn. Amin Mohd had a meeting with Ms. Meenakshi Lekhi, Honorable Minister of State of External Affairs and Minister of State for Culture, Govt. of India. He has spoken about our Club and she is ready to come when we have our next Club meeting. It will be a great honor to host her. It is also important to mention here that Honorable Meenakshi Lekhi Ji has accepted to be the Board Ambassador of Rotary Skin Bank.

On 7<sup>th</sup> June 2023 the Vocational Services provided by our President Rtn Sunil Kumar Day were acknowledged by Shanti Avedna Sadan (SAS). A set of drawings based on existing building study were required by SAS for submission to authorities for license renewal. This project took many site visits and working hours at office / home office. The President has previously also given them such services that is why SAS approached this time too.

On this historic day of 29th June 2023, Rotary District 3011 inaugurated the first Skin Bank in North India jointly with AIIMS Burns and Plastic Surgery Block. Our President Rtn Sunil Kumar Day has pledged his skin to kick start the donation campaign. Our Club looks forward to the fellow Rotarians to spread the awareness about this Skin Bank so that a lot more can contribute with their pledges for this extremely urgent and noble cause. Rotary Skin Bank is located at the new block of Burns and Surgery of AIIMS, New Delhi This setup is one of the rare Skin Banks in North India. There are many Skin Banks in south India though for a very long time.

When we started Samagraa in 2018 our vision was also to setup a primary school in Delhi NCR. The objective was to help streamline kids of migrant workers who do not get admissions in regular schools due to various reasons. **The dream then is now a reality for us.** Our first PRIMARY SCHOOL in Gurugram has been operational for a few months now. We take this opportunity to thank all our donors. Without their support this would not have been possible.

Getting recognition for one's work is always welcomed. More so, if it comes from your home state for all the impactful social work one has done for the past 16 years both in Odisha and in Delhi. Many thanks to the winners of National CSR Initiatives 2023 for bestowing the best small and emerging NGO award on Samagraa. It was a matter of pride standing amidst industry CSR stalwarts and sharing the stage with each of them.

## REACHING THE COMMUNITY

Samagraa's endeavour to extend basic health check-ups for underprivileged women was possible due to resource support from Rotary Club. Mr. Aroon Roongta helped facilitate the health check-ups, oral cancer screening, pap smear and Mammography camps. Around 150 women benefitted from this effort.
