TAKE ACTION: Engage Rotary, Change Lives

September 2023 Message of RI President 2023-24

The International Day of Peace takes place on 21 September. The United Nations General Assembly declared this a day devoted

to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to *Create Hope in the World*, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

R. Gordon R. McInally

Message of Club President

I find these messages of Rotary International President Rtn R. Gordon R. McInally & our District Governor very inspiring and therefore the same are being included here to share with all of you.

Rtn Rakesh Banga

Message of District Governor District 3011

Happy Namaste

At the very outset. I would like to thank each one of you for your overall contribution till date towards furthering the objects of Rotary.

I would request each one of you to make consistent efforts to increase your reach by growing more not only in terms of number of members but also following the principle of Diversity, Equity and Inclusion, so as to adapt with times. I am hopeful that your club will take member engagement to the next level, thereby, making your club irresistible for both new and existing members. Our focus should not only be confined to "Each One Bring One" but also towards "Each One Retain One".

Please align your service projects with the annual theme and vision of RI / District leaders. Also explore ways and means to magnify the scale of your service projects, as a step towards increasing its impact. Each Rotarian should support "The Rotary Foundation (TRF)", irrespective of the quantum of personal contribution, so that we could do Bigger and Bolder projects across the world.

Deepti and I look forward to visit your club in Rotary Year 2023-24 and to interact with your members. Our best wishes to Team 2023-24 for an eventful and successful Rotary Year 2023-24 ahead. My personal interpretation of HOPE in the context of Rotary would be Hands, opportunity, Projects & Experience". Let our heats be in the right as we make all efforts to "Create Hope in the World"

Our Rtn. Manisha Verma visited a Skill Development Centre for Children. This was done by her to look into the possibilities for establishing a similar setup in Defense Area. The students come from EWS and it is run by a Rotary Club at Skill University Centre of Delhi Govt. The Centre has mainly six skill courses of 3 months duration where they train children on Industry based curriculum. Their approach towards skill training is very different as they have first tied up with the Industry partners and then trained children on the job roles like F&B Stewards Sewing machine operators and CNC operators and General Duty Assistance and Debt Recovery Agents post the completion of the training these children are placed with different companies. The university has provided them two floors to run their courses and the labs for practical and theory books trainers all have been created from the funds and contributions by Rotary Club members. It was a delight to see the dedication work of the club members. Our Club & Army Welfare Education Society will collaborate for similar skill training centers.

Another meeting on the subject matter was held on 24th September at IHC that was attended by Rtn Seema, Rtn Alok Varshney, Rtn Niti and Rtn Sunil Day.

A Brief Note About Arya Samaj

The greatest contribution of Arya Samaj can easily be summarized in the following manner:

Arya Samaj has a path-breaking role in field of education - The Arya Samaj spread women's schools, colleges and Gurukulas. It opened the Kanya Mahavidyalaya in Jullunder in 1896.

The Vedas are the ultimate source of knowledge, and every Hindu is required to read and recite them, according to the Arya Samaj. They promoted women's equality, fought to end widow remarriages, and outlawed polygamy, child marriage, and Sati through educating Hindus about the Vedas.

Arya Samaj is a Hindu Reform Movement founded by Dayananda Saraswati on 10th April 1875 in Bombay. It promotes values and practices based on the beliefs of the Vedas. (The Arya Samaj, apart from its social and religious reforms, also remained in the forefront of political movement.)

30-09-2023

Meeting was held at Hanuman Road Arya Samaj Office with Shri Viney Arya. Rtn Pran Mehta and Rtn Sunil Day from the District Literacy Team attended. Purpose is to create a system to assist Arya Samaj Schools with involvement of Rotary at district level.

प्रेम का अर्थ

चूनर लेकर प्रेम की
गई रंगरेज के पास।
दिखती सबको एक सी
इसे बना दो खास।
रंगरेज ने रंग दी
मेरी चूनर धानी।
खो गई चूनर के रंग में
दिखी नहीं नादानी।
अलबेली थी चूनर
सुंदर थे सब रंग।
ओढ़ी चूनर मैंने
मन में लिये उमंग।
अब खुशियां मेरी थी
मैं दुनिया के संग।
बदल गयी मैं पूरी
बदला मेरा रंग।
फिर अचरज से देखा खुद को
समझ में आई भूल।
भरी प्रेम से वो थी
अब रंगों की धूल।
नहीं चाहिये मुझको रंगों की हरियाली।
रंगरेज मुझको दे दे
चूनर वो पहले वाली।
