## Be good, do good

My dear Empathy family,

At the outset, I would like to convey my utmost gratitude to most of you for being with us from the day our club was born viz 24 Nov 2022. Our earnest effort till date to take small steps, some actions by which we can improve the quality of life of some, if not many. You have seen that, we have done few engagements, and taken few initiatives in that direction, as also recognized by the Rotary District Leadership for the effort of the entire Empathy family. I will request all to bring in quality members, as club by itself, is abstract, and it is only known by the quality of its members. The distance we can traverse in our journey, will always depend on the team spirit, viz. of its members. Let us meet physically, and know each other more, so that, after 10 years, we can have the friendship and the shoulder of each member the Empathy family, to depend and rely upon. Let the family spirit within the Empathy family prevail. Rest will follow. My best wishes and wish you all a great healthy and happy life ahead for each member of the Empathy family.
