Rotary Club of Calcutta Empathy in Action: Celebrating One Year of Impact

Rtn. Soumya Roy

As the vibrant city of Calcutta embraces the crisp air of November, there's an added zest in the atmosphere—a palpable excitement that resonates with the heartbeat of the Rotary Club of Calcutta Empathy. In the spirit of celebration, we joyously mark the completion of our first year, a journey brimming with enthusiasm, purpose, and an unwavering commitment to making a positive impact.

This inaugural year has been a kaleidoscope of experiences, with each moment infused with the vibrant energy that defines our club. From the outset, our mission has been clear: to not just uphold the values of Rotary but to elevate them with an infectious enthusiasm that transcends boundaries.

Our joy is amplified by the recognition received during this journey, including accolades in Vocational Service, Peace and Conflict Management, Support to the District, and the prestigious Outstanding New Club award. These acknowledgments are not just laurels; they are symbols of the collective spirit and dedication that fuels our every endeavor.

At the heart of our impact are the projects that define us. Rota-Suraksha Kavach, our initiative dedicated to safeguarding lives, is a testament to our commitment to tangible change. Supporting the remarkable children at Morning Glory Integrated School is not merely a project; it's a shared journey of smiles, dreams, and empowerment.

Project Durga, our initiative focused on cervical and breast cancer screening, reflects our urgency and care for women's health. Meanwhile, Project Sushasthya, a dynamic endeavor bringing live workshops and interactions with senior doctors for the dietary management of children with CP, ASD, or DS, embodies our commitment to inclusivity and well-being.

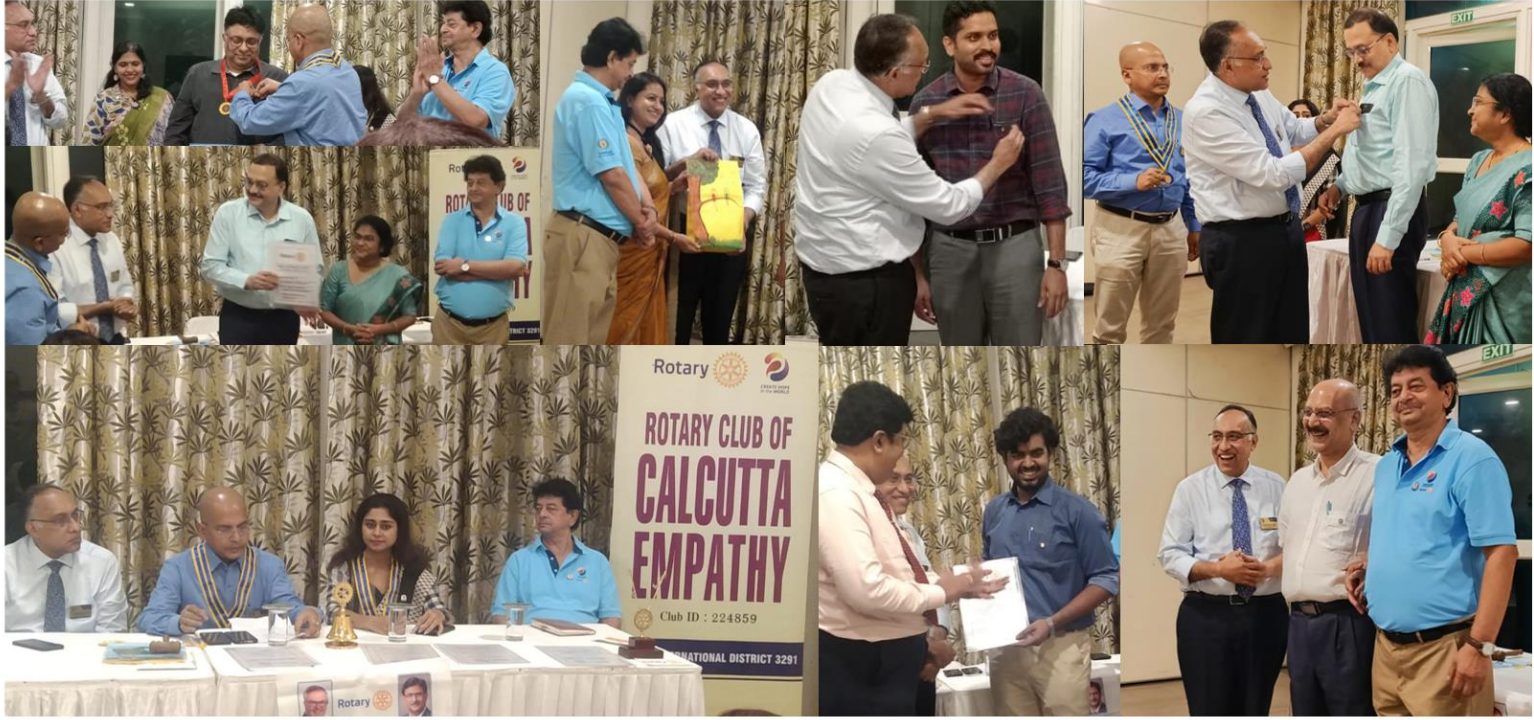

In this dynamic landscape of service, Project Dristi, our eye wellness camp, and Project Know Your Numbers, promoting health awareness, are threads in the rich tapestry of our diverse outreach efforts. We also take pride in recognizing and awarding Durga Puja organizations through Project Amar Durga Sobar Durga, a unique social initiative that celebrates community and festivity.

Yet, as we raise a collective toast to this milestone in November, it's crucial to recognize that the Rotary Club of Calcutta Empathy is more than an organization; it's a thriving community. Here's to a phenomenal first year behind us, an exhilarating road ahead, and the unyielding enthusiasm that propels us forward, united in our mission to create positive change—one compassionate act at a time.
