Blood Donation Camp

Despite the challenges posed by heavy rainfall, the event witnessed an overwhelming response from the community. A total of 43 generous donors came forward, demonstrating remarkable enthusiasm and commitment to the noble cause. Additionally, 43 Thalassemia tests were conducted, promoting awareness and early detection.

On July 21, 2024, RCT Amigos, in association with Shivbhakti Pratishtan (under the guidance of Mr. Sachin Shingare) and co-hosted by RCT North, successfully organized a blood donation camp at Home for India Boulevard Mall, Majiwada & Majiwada Village.

Blood Donation Camp – Home for India Boulevard Mall, majiwada

This camp was an integral part of the District Blood Donation Campaign, aiming to bridge the gap between blood demand and supply. We extend our heartfelt gratitude to:

- Mr. Sachin Shingare and Shivbhakti Pratishtan for their invaluable partnership
- RCT North for their steadfast support
- Dr. Sanjay Koyande, Club President, RCT Amigos (24-25), for his leadership
- Volunteers and medical staff for their tireless efforts
- Donors for their selfless contribution

Together, we made a difference! This camp exemplifies the power of collective action and community spirit. We look forward to continuing this life-saving initiative.
