Rotary Year 2024-25

Dear fellow Rotary leaders

As we begin a new year of service, let us not forget the importance of every one of Rotary's members.

We need your leadership now more than ever if we are to make every club and district an irresistible experience. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and unlocking the power of girls and women.

Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us the potential to improve our communities and the world. By following Rotary's Action Plan and helping make sure all members feel a sense of belonging in their club, you have a special opportunity to inspire members to new heights of service.

Our ability to create lasting change begins with our family of Rotary. Together, it is within our power to bring healing in a divided world.

Join me in making Rotary a source of strength for those who need it most, within and beyond our membership. Let this be the year we harness The Magic of Rotary, and let Rotary be known as an organization that takes care of its members as well as the people we serve.

It is within your power to help make Rotary a beacon of goodwill and fellowship in every community.

Remember that your work can and will change the world with The Magic of Rotary.

Warm regards,
Stephanie A. Urchick

**TOGETHER WE SEE A WORLD
WHERE PEOPLE UNITE AND TAKE ACTION
TO CREATE LASTING
CHANGE ACROSS THE GLOBE
IN OUR COMMUNITIES, AND IN OURSELVES.**

Greetings to all of you!!!

As we embark on another remarkable and Awesome Rotary Year, we prepare to welcome new leadership and embrace fresh opportunities to serve. Rotary's strength lies in its ability to adapt, evolve and inspire through the commitment of its members.

July 1st, 2024 marks the advent of a new Rotary year - the Awesome Year.

It was legendary American President Abraham Lincoln who said " If you give me six hours to chop down a tree, I will spend the first four hours sharpening the axe " This is what Rotary Learning Facilitates for all of us. It prepares us for the Leadership role we are about to take on in the new Rotary Year.

Let's begin the year with renewed energy and dedication. We now have goals and plans in place and it is now time to execute them to perfection.

Friends, Only if there is Magic in Rotary, will you find it awesome to be a Rotarian and only though Awesome service will there be Magic in Rotary. I urge you, therefore to develop an Awesome Mindset for yourself to create the Magic in Rotary

The District has designed an awesome 31 Ready Made Projects , which every Club is free to chose from

These are

1. The Eight MEGA Projects
2. The First Lady led COLS CPR Project
3. TB MUKT RID 3142, An initiative of GOI
4. The unique 12 Amrit Mahotsav Challenges
5. The Mega Mental Health, unique, initiative
6. The Eight JDS led Events
7. The Annapurna Project that commences 1st July 2024

In addition, in our drive to create Magic in Rotary, we should strive to ensure that every Rotarian donates atleast \$ 75 to the Rotary Foundation and enthuses atleast one new member to ask to be invited to join Rotary

The Key is not the Will to Win, ... everybody has that. To be a Winner, you must Plan to win, prepare to win and expect to win and to remember that Success is not final, Failure is not fatal but it is the courage to continue that counts.

I truly believe that nothing of major significance is achieved by doing small acts of kindness. It is though impactful projects that make a substantial and visible difference to the life of the community that Rotary will truly gain respect.

As President, learn to embrace the journey, trust the process and believe in your abilities. Dream Big, work hard and surround yourself with good people. Always remember that the only impossible journey is the one you never began and that what you do has far greater impact than what you say Jyoti joins me in wishing you and the members of the Rotary Club a truly AWESOME Year.

Yours truly

Since joining Rotary in 2013-14, Hycenth has been an active and dedicated Rotarian. Her contributions to Rotary District 3142 have been exemplary, serving in various capacities including Club Director, Club Officer, and in the District as Avenue Co-Chair in GML, Youth Service, Membership, Publication Team, Disease Prevention & Treatment, and Governors Special Emphasis Area. She has been a beacon of service, spearheading numerous initiatives such as medical camps, polio vaccination drives, water conservation projects, Youth & New Generation projects significantly impacting the community. One of her notable achievements was her support as First Lady of the Club in securing the Best President and Best Club award during the Rotary Year 2017-18 when Yakub was Club President, with a record of 275 service projects and the formation of three new Rotary clubs. As Project Chair of the Rotary Executive Diary 2015, Hycenth supported the club with fundraising of Rupees 5 Lakh. PRESIDENT HYCENTH MESSAGE

Rtn Hycenth Bhetasiwala
President

Dear Rotarians, family members, and friends of the Rotary Club of Kalyan City.

I am honored to serve as your President for the Rotary Year 2024-25. Thank you for your trust and support, which inspire me to work hard for our community.

First, I want to thank my husband, Past President Rtn Yakub, for his unwavering support. I also thank my mother, Gemma, my sisters, Dr. Neena and Sheena, and my mother-in-law, Shirin, a Past President of the Inner Wheel Club, for their constant love and support. I fondly remember my late father, Edward Goveas, and my late father-in-law, Rtn Dawoodbhai Bhetasiwala, whose teachings continue to guide me.

I am grateful to District Governor Dinesh and First Lady Jyoti Mehta for their ongoing support and encouragement. I also appreciate the guidance of District Secretary Harishchandra Bhoir, Assistant Governor Jagdish Mhatre, and all District Officers. I am lucky to have new friends as my Co-presidents, whose friendship reminds me of my college days.

I thank IPP Ramchandra Mandhane and Archana ji for their strong foundation for our club. Their commitment to serving the community and strengthening our club is commendable. They have made my role easier by setting a clear path.

This year, we will focus on the Five Avenues of Service and the Seven Areas of Focus, undertaking projects in all these areas.

In Club Service, we will strengthen bonds and build strong relationships through regular meetings, festival celebrations, picnics, and fellowship events.

Under Vocational Service, we will offer Skill Training and Women Empowerment programs and various awareness activities. We will also plan the Vocational Excellence Award.

Through Community Service, we will do good in the world. We will organize medical projects like Cataract Operations, Health Checkup Camps, Project Positive Health, CPR training, and more. In non-medical areas, we plan to construct check dams and carry out school-related projects. In International Service, we will promote Peace Fellowship and visit clubs internationally, attend RI Conventions, and exchange flags.

For Youth or New Generation, we plan to form Interact Clubs in schools and one Rotaract Club.

We are fortunate that the District Team has given us ready-made projects like the Mega Project and Samvidhan Amrut Mohatsav. We will participate in these projects under District Grant, Global Grant, or CSR and do our best for the community. This year, the Public Image District team has set achievable goals, and we are committed to meeting them.

I am committed to leading with humility and dedication. Together, we can achieve remarkable milestones and create lasting positive change in our community. Let us embrace the spirit of Rotary and work together to create Magic and have an Awesome year.

Thank you again for this incredible opportunity. Let us begin this journey of service with enthusiasm, compassion, and unwavering commitment.

Yours in Rotary,
Hycenth Bhetasiwala
