**A NEWSLETTER BY ROTARY CLUB OF MUMBAI SHER E PUNJAB**

## FROM THE PRESIDENTS DESK

***"The best way to find yourself is to lose yourself in the service of others."* — Mahatma Gandhi**

**Dear Fellow Rotarians, Partners & Community Members -**  
As we draw the curtains on what has truly been a Vibrant Year, it fills my heart with immense pride and gratitude to reflect upon the impactful journey of the Rotary Club of Mumbai Sher-e-Punjab during 2024–25.

This year, our Club successfully implemented 156 community service projects, directly touching the lives of over 21,300 beneficiaries, with an estimated service value of ₹40 lakh. Our beneficiaries included the underprivileged, specially-abled children, senior citizens, children fighting Autism & Cancer, and members of the transgender community—each project designed with empathy, purpose, and a deep sense of Rotary values.

Importantly, our service work spanned across all 7 Focus Areas of Rotary International, with the largest impact in “Basic Education & Literacy”—a cornerstone theme for our Club this year. Be it through school benches, learning kits, digital aid, or teacher recognitions, we made meaningful contributions to build a more educated and aware society. To reaffirm our commitment to compassion in all forms, extending Rotary service to voiceless beings who equally deserve dignity and care, we launched a unique initiative - RAW (Rotary for Animal Welfare), that helps bring healing and hope to sick and suffering animals.

We are deeply honoured that our Club's sincere efforts across various Avenues of Service received recognition from Rotary International and District 3141. These accolades are a testament to the dedication of our members and the belief that service, when done selflessly, is indeed transformational.

This journey wouldn't have been possible without the unwavering support and encouragement from our District Governor Rtn. Chetan Desai, whose visionary leadership kept us motivated throughout the year.

To our members, donors, partners, Co-Presidents, and the District Avenue Teams—thank you for standing shoulder to shoulder in every initiative. Together, we delivered outcomes far greater than what we envisioned.

As I sign off this memorable year with deep satisfaction that we lived up to our goals and promises, I extend my warmest wishes to the incoming President for the INSPIRED Term 2025–26. May you lead the Club to even greater heights with passion, purpose, and pride. Let us continue to Serve to Change Lives—because together, we truly make a difference.

Yours in Rotary Service,

**Rtn. Jotinder Singh Ahluwalia – Vibrant President (2024-25)**

### THE FUMBLING PEN

(An article by Ms. Gurdeep Kaur – A prospective Rotarian)

*As the words begin to mingle, to pen a certain expression  
The pages are so delighted, to convey every emotion*

With the onset of an era of Keyboards and I-Pads, the human race is gradually wearing away from paper and pen. The concept of writing (physical) and its connectivity between the fine motor system and the left & right regions of the brain is slowly fading.

Irrespective of which age group you belong to, a little physical writing is essential for better learning and retention. Not withstanding how well you do it BUT YOU DO IT.

Putting ink to paper activates a particular part of the brain called Reticular Activating System, which plays a crucial role in regulating attention and wakefulness.

Researchers have found that students tend to compose articles and essays more prolifically and faster, using a pen, than a keyboard (excluding the Chatgpt version).

Despite the digital invasion, the most effective way to retain memory-based information is to write a note by hand.

Today, its not only a requisite but also mandatory to be in sync with the digital updation. Yet we require a minimum balance between technology and usage of pen-paper, which would definitely help in the long run. This could be in the form of journaling, to-do lists, creative writings or gift messages, to name a few.

Finally, lets witness the plight of the Fumbling Pen.

*I am longing for a firm grip, Running all over a beautiful paper  
Giving joy to the writer, and imparting wisdom to the receiver*

Note: This article was received in hand written form from the author

The background of the entire page is a soft-focus arrangement of yellow flowers and green leaves. The flowers are five-petaled with prominent yellow stamens. The leaves are bright green and elongated. The overall aesthetic is clean, fresh, and cheerful.
