ROTARY REFLECTIONS:  
VOICES OF THE WHEEL

### DISCON 2026 – Two Days of Inspiration, Fellowship and Celebration

The District Conference DISCON 2026 was held on 7th and 8th February 2026 at the Sahara Star Hotel, bringing together Rotarians from across the district for two vibrant and memorable days of inspiration, learning, fellowship, and celebration.

The conference was inaugurated by District Governor Dr. Manish Motwani along with Daniel Tanase, Rotary International Past President's Representative. The event featured powerful and thought-provoking sessions by distinguished speakers including Navneet Munot, Vijay Kedia, Justice D. Y. Chandrachud, Deepak Vohra and Major Gaurav Arya. Their talks covered a wide range of topics—from leadership and governance to finance, national development, and India's growing global presence.

Twelve members from the Rotary Club of Mumbai Sher-E-Punjab attended the conference and thoroughly enjoyed the enriching sessions, fellowship, and networking with fellow Rotarians from across the district. The discussions offered valuable insights into leadership, nation-building, economic outlook, and Rotary's role in creating meaningful impact in society

The two-day conference was packed with engaging sessions and lively evening programs. The first evening ended on a high note with energetic music by DJ Aqueel, creating a vibrant atmosphere of fellowship and celebration. The second evening concluded with a soulful performance by the renowned poet Nayab, leaving the audience mesmerized with her beautiful poetry and reflections.

A special highlight was the spectacular fashion show, where our lady members enthusiastically participated and proudly won the event, making it a moment of great pride and celebration for our club. The conference also offered excellent food, a warm ambience and wonderful fellowship, making the experience even more enjoyable.

Adding to the spirit of participation, our members Rtn. Arun and Rtn. Seema showcased their stall of Silver Steel Products, and Rtn. Hemanshu also displayed his company Khayaal, contributing to the vibrant exhibition at the conference.

Overall, DISCON 2026 was a superbly organized and enriching conference that beautifully combined knowledge sharing, inspiration, fellowship, and celebration, leaving participants motivated and proud to be part of the Rotary family

### PLACEMENT AND DESIGN OF TOILETS

*In Vastu Shastra, the placement and design of toilets is considered important for maintaining positive energy in a home. Here are some simple and commonly followed Vastu tips for toilets*

#### **1. Best Direction**

*North-West (NW) is considered the best location for toilets.  
West is the second acceptable option.*

#### **2. Directions to Avoid**

*Try to avoid toilets in:*

*North-East (NE) – considered the most sensitive direction.*

*South-West (SW) – may affect stability and relationships.*

*Center of the house (Brahmasthan).*

#### **3. Direction of the Toilet Seat**

*The person using the toilet should face North or South.*

*Avoid facing East or West.*

#### **4. Toilet Door**

*The door should always remain closed.*

*The door should not face the kitchen or pooja room directly.*

#### **5. Toilet Floor Level**

*The toilet floor should be slightly higher than the bathroom floor if they are separate.*
