ROTARY REFLECTIONS:
VOICES OF THE WHEEL

Rotary

Club of Mumbai
Sher-e-Punjab

President Rtn Minishaa I Oberoi

As President of the Rotary Club of Mumbai Sher-E-Punjab, it is with immense pride and gratitude that I reflect on the overwhelming success of SPARKLE 2026. Held on 21st and 22nd February 2026, this event was far more than a beauty pageant—it was a labour of love and a true testament to the dedication, unity, and collective spirit of every single member of our club.

The vision for SPARKLE was born from our esteemed senior Rotarians, Rtn. Arun Bhoocher and Rtn. Seema Bhoocher, who saw the potential of a beauty pageant to amplify the presence of our young and dynamic club, just two and a half years old. What began as a dream in late 2025 took shape after the new year, when we embraced it wholeheartedly, with every member channeling their energy and passion into making it a reality. From the first week of January, our meetings at Sher-E-Punjab Gymkhana were filled with purpose and enthusiasm. Members worked tirelessly—whether reaching out to sponsors, designing publicity material, coordinating logistics, managing registrations, or handling countless backend responsibilities. Every task, no matter how big or small, played an important role in the final success.

I would like to extend my deepest thanks and appreciation to each and every member who contributed wholeheartedly to this journey. SPARKLE became possible only because of the teamwork, commitment, and spirit shown by all.

I am incredibly grateful to our District Governor Dr. Manish Motwani and his wife Mehek Motwani, our Assistant Governor Dr. Mary Francis, our District Governor Nominee Mr. Deepak Jiandani and his wife Ujwala Ji, as well as our DS Deepakraj and our dear friends Mr. Unnikrishnan and Sandip Kedia, for their gracious presence, encouragement, and blessings. Their support added immense value to the occasion.

The energy and enthusiasm of every participant were truly infectious. We were blessed with wonderful venues at Sher-E-Punjab Gymkhana and the grandeur of St. Arnold's Auditorium. The food, décor, ambience, backdrop, and media coverage were all exceptional, making the event a memorable experience for everyone present.

Most importantly, we were able to raise over ₹3.5 lakhs, which will go toward the noble cause of cancer detection and cure. This achievement is not of one person, but of every member, sponsor, supporter, participant, and well-wisher who believed in this cause.

This success belongs to each one of you—your dedication, your belief, and your tireless efforts. From the bottom of my heart, I thank you all for making SPARKLE 2026 a shining and unforgettable success.

SPARKLE 2026

The SPARKLE event was a perfect reflection of the true spirit and DNA of Rotary in multiple meaningful ways. Firstly, it fostered goodwill and strengthened friendships among members, partners, and participants, while also creating a positive impact on the larger community.

The event upheld the essence of the Rotary 4-Way Test, ensuring that all actions were fair, built goodwill, and were beneficial to all concerned. Secondly, SPARKLE stood out as an inclusive platform that truly embraced Diversity, Equity, and Inclusion (DEI). It welcomed participants across varied age groups, backgrounds, and experiences, promoting equal opportunity and respect for all.

Lastly, the event was strongly aligned with one of Rotary's key focus areas—Disease Prevention and Treatment. By raising funds and awareness for cancer detection and cure, it reinforced Rotary's commitment to meaningful service and impactful change.

Overall, SPARKLE was not just an event, but a true embodiment of Rotary's values in action.

SPARKLE 2026

Memories created whilst making of Sparkle 2026 will remain forever etched in our thoughts. Right from the day it was conceptualized, further meetings held, duties assigned, sending flyers, and making calls to gather participants—then the grooming session, audition round, and finally the grand event. Truly, a professionally organized show with excellent backdrop, huge banners for our sponsors, an LED screen well managed by Sehej, roping in judges, and attending to district dignitaries. The ramp walk by our dear Rotarians—this outcome was never ever imagined by us. Credit goes to all members who put their 100%, gracious collection from all sponsors, and a great bunch of finalists and winners taking the crown. This was a once-in-a-lifetime project from which we all learned a lot. Hats off to team RCMSEP!

Rtn. Seema Bhoocher

This marks the first flagship project of SPARKLE 2026, after the club's charter in 2023, where we witnessed the entire team coming together, fully united, and steering the project from the front, each one contributing selflessly—both financially, getting sponsors, and with time and energy. This is very heartwarming news. Also, another very important cause has been taken up under the belt of our club: cancer detection and cure, which was the main cause for this fundraiser. For the first time, we all dreamt of a fundraiser, and very beautifully, the dream came true. The project was done on a very large scale, and we can even do it on a much larger scale next year. The best part was the inspiring leader who led from the front. Thank you all for this great opportunity, and I will always be there for similar projects and dreams that our club will foresee.

Concept of holding a beauty as suggested to be held to increase the visibility of our club, we all are grateful that this proposal was gleefully accepted by President & put forward to our members who whole heartedly contributed in successfully organizing this show taking up responsibilities & handling them efficiently thus creating a long lasting memories, a professional show of this kind is attributed to all members who had actively taken part, not to forget donors whose contributions shall never be forgotten & lastly participants from all age groups taking part to create a history for our new club to give a immense boast

Rtn. Arun Bhoocher

Hello, what seemed—how—what, when, event turned out to be a success. SPARKLE actually brought sparkle into the lives of many who had never participated in such an event. What made it a success was the cause and the teamwork. Sponsorship received by members contributed a lot. The registration team, organizing the elimination rounds up to the finale, was a great success. Certificates to participants brought a glow on their faces too. The prizes given, too, required a lot of effort put in. The food counter, the photoshoot, and even the coupons sponsored by the concern turned out to be a success. In short, Rotary Club of Mumbai Sher-E-Punjab turned it into a fun-filled event.

SPARKLE 2026

It was truly a wonderful experience being a part of Sparkle. The entire event was beautifully organized and carried such a meaningful purpose, raising awareness for a cause as important as cancer. What made it even more special was seeing our own Rotary members step out of their usual roles and confidently walk the ramp. That spirit, enthusiasm, and unity were so inspiring to witness. Personally, I absolutely loved being on stage, it's something I genuinely enjoy, and being able to do it for such a meaningful cause made it all the more fulfilling. Kudos to everyone involved for putting together such a graceful and impactful event. Looking forward to many more such initiatives!

Rtn. Avneet J

I have recently joined the Rotary Club of Mumbai Sher-E-Punjab, and my experience has been awesome and really exciting. The Sparkle 2026 event was my first event, which was held collectively by the club. It was a very, very well-organized, collaborative event, where the sponsors, the members, and the participants all came together. With 130 participants, they were all so well-dressed to match the occasion and theme of the event. Most importantly, the funds that were collected were for a very noble cause, and bringing up this cause, in itself, was a great experience. I am looking forward to many, many more such wonderful events.

SPARKLE 2026

The vision of Arunji brought great visibility to the Rotary Club of Mumbai Sher-E-Punjab, and a lot of recognition came from this event. The event was handled with open-mindedness. Initially, we did not get immediate participants from Sher-E-Punjab, but with a quick discussion, the scope was expanded, and we received many participants. The age groups were perfect, ranging from 18 to 80, and teams were formed based on members' work comfort and choices. Every area was handled efficiently by the members with full integrity and perfect intentions—and that was the key to success. As I observed, personally calling participants added a personal touch and ensured authentic communication, avoiding gaps that often create confusion in such events. Even when Monica missed one participant for the semi-finals and called me at 11 p.m., I also reached out, and the participant was thrilled. Everything was handled one-to-one, with Monica leading as head and me as in charge of the B category. This personal communication saved us from confusion. Grooming, ramp walk practice, and self-introduction sessions gave participants confidence and a clear understanding of the competition. The sponsors and donations gave us a baseline estimate to cover expenses, and professional trainers, judges, and the venue were the icing on the cake, impressing all the guests. The grand finale was perfectly handled with no confusion at all, and every member contributed with full dedication. Minishaa—there are no words to praise her leadership; it was balanced, unbiased, and confident. She trusted the members with responsibilities, gave them a free hand, and guided them through the process whenever needed, leading beautifully from the front. At the end, everyone took responsibility for clearing the venue without any prompting. Simran and Surjit helped me with the heavy lamp—this small act showed how everyone came forward. Their contribution was beyond words. It was the maturity, expertise, unity, team spirit, and unbiased leadership, all carried out with dedication, passion, and God's blessings. It was truly a lifetime experience, and we look forward to many such formal programs in the future.

SPARKLE 2026

A powerful and sparkling thought culminated into a successful mega event with multiple dimensions linked to it. It enhanced club visibility, provided opportunities for youth and adults to fulfil their dreams, and enabled fundraising for a meaningful cause. The event was fulfilled and hosted at a wonderful venue, fostering fellowship and a great get-together. It also helped us gain valuable experience in launching and executing large-scale projects.

Rtn. Sunita Gandhi

One of the most meaningful aspects of the Sustainable Development Goals (SDGs) is the vision of inclusive growth—ensuring that no one is left behind in the journey towards progress and opportunity. Being a part of the Sparkle Beauty Pageant was truly a heartwarming and enriching experience in this direction.

What made this initiative so special was the collective spirit and dedication of the club members, who went beyond just organizing an event. They reached out to individuals from underprivileged communities, encouraged them, nurtured their confidence, and stood by them at every step until they could proudly step onto the stage. Witnessing this transformation was both inspiring and deeply moving. This initiative was not just about a pageant; it was about empowerment, dignity, and creating a platform where every individual could shine. It reflected empathy in action and the true essence of service. I wholeheartedly appreciate the efforts of the RCMSEP members. May this beautiful journey of uplifting lives continue to grow and touch many more hearts.

A review of SPARKLE 2026: कहते हैं, "कथे को शोभा नहीं, देखे तो परवाज," It was an amazing, amazing, and very fabulous program. Every participant was very well-deserving, and everyone was so happy that they got this opportunity. Best wishes are with them always. And also, we would like to add our best wishes to the people who participated, to the people who organized—please keep doing such great work. Your efforts are truly inspiring.

Rtn. Baljeet Kaur

Sparkle 2026 was a landmark event for our club. It was a defining example of what teamwork and dedicated work can achieve. This event set the standard, being the first major event of our club, and it truly reflected our vision. Every small detail showcased the passion of our team. From the grooming sessions to the grand finale, it was a beautifully coordinated program. Each member took ownership of their responsibility and made sure the event was a grand success. The participation, the enthusiasm, and the positive response from all the contestants were truly inspiring and showed the impact this event created for the Rotary Club of Mumbai Sher-E-Punjab. On a personal note, this became even more memorable because it coincided with my birthday. The thoughtful gesture of celebrating it during the program and giving me the opportunity to walk the ramp made it a very special birthday and an unforgettable experience. Sparkle 2026 was not just an event, but a celebration of fellowship, talent, and true Rotary spirit. I feel proud to be part of such a vibrant and committed club—Rotary Club of Mumbai Sher-E-Punjab.

As a member of the Rotary Club of Mumbai Sher-E-Punjab, I am so proud that we organized such a grand event for the very first time. The energy and enthusiasm of all the participants were absolutely infectious. Every detail was beautifully organized, and the highlight of the evening was the ramp walk we did as a club. We truly enjoyed every step of it, making this a night we'll never forget.

Sparkle was a beautiful organized, inclusive fashion fundraiser that successfully combined style with purpose. Open to men and women of all ages, the event attracted over 150 enthusiastic participants and progressed through three well-managed stages: elimination, semi - finals and finals. Production values were high, professional staging, smooth logistics, and strong audience engagement- which together created a polished, memorable finance. Must important, SPARKLE raised valuable funds and heightened community awareness for early cancer detection, making it both a meaningful and joyful success.

Masala Bread Upma

*Recipe by :
Rtn. Sehej S Oberoi*

Masala Bread Upma is a quick and tasty way to use leftover bread. A modern twist on traditional upma, it is ready in minutes and perfect for breakfast or tea-time. Soft bread mixed with spicy masala makes it comforting, budget-friendly, and easy to customize with veggies, cheese, or paneer.
