# ***President Speaks...***

Dear Members, Partners & Community Members,

As the curtains fall on the magical & Vibrant Rotary year, me and Simi, are overwhelmed with joy, emotion and deep gratitude. What a journey it has been—one filled with service, fellowship, and countless moments that brought us together, as a one happy family.

Your devotion to selfless service, and your unwavering support towards achieving our Club's vision, objectives and goals, has been truly remarkable. It is because of these efforts that our Club was awarded with the coveted "Vibrant Club Trophy", the highest ranked trophy for Club Excellence. We were among the Top-7 Clubs in District 3141, with member count below 50, who have been awarded with this prestigious recognition. 3 of our Directors, also won the 'Avenues of Service' citations from Rotary International, for their exceptional service, all-round the year, in the areas of a) Club Service b) Community Service & 3) Youth Service. The MAGIC OF ROTARY seems to have worked on our Club.

We are blessed, that in our very second year of Charter, our Club has achieved this recognition. It has been proved yet again, that ordinary individuals can do extraordinary things when inspired by the passion of selfless service.

Let this inspire us all, to continue the great work with a sense of responsibility and humility. Let it energize our club to reach even higher goals. Let this remind us, that the true reward of service is not the trophy, but a transformed life, sometimes even our own.

The awards will wither away with time, what will remain, will be the memory of the people whose life we touched and the faces we managed to lit with their smiles.

The 2 Mantra's that are very close to my heart and that have helped me in my life are:

- 1) Any act of service that we do, needs to be built on the foundation of compassion, selflessness, humility and gratitude.
- 2) In any team, it is "WE" that matters, and not the "I". This also implies that it is not MY success, its not YOUR success, it is OUR team's success.

I take this opportunity to thank my entire BOD team, all members, Donors, Partners, District team, Other supporting Clubs and members of community, who helped us achieve our cherished goals.

I heartily wish, the new Inspired President Rtn. Minishaa & her BOD, ALL THE VERY BEST. May our Club achieve even greater heights during her INSPIRED term.

Together, let's build stronger communities. Together, let's create hope in the world.

Yours in Rotary Service,

Rtn. Jotinder Singh Ahluwalia – Vibrant President 2024-25
