VOL 1 SEP 2024

Charter presentation on 9th March 2024

Women's day celebration

On 10th March 2024, the Rotary Club of Kolkata Lakes and the Rotary Club of Calcutta Charnok City came together for a special joint meeting to celebrate Women's Day. We were honored to have PDG Rtn. Shyamasree Sen as our distinguished guest, along with Rtn. Dr. Sebanti Goswami. Their inspiring words and presence made the occasion truly memorable as we celebrated the strength, achievements, and spirit of women.

From the President

It is with immense pride and joy that I accept the Charter of the Rotary Club of Kolkata Lakes from our esteemed District Governor on this memorable day, 9th March 2024 which was awarded to us on 6th February 2024. This moment marks the beginning of a journey dedicated to service, fellowship, and making a meaningful impact in our community. I extend my heartfelt gratitude to our District Leadership, fellow Rotarians, and well-wishers for their unwavering support. Together, we will uphold the values of Rotary and strive to create lasting change. Thank you!

COTS

On 27th June, we had the privilege of hosting our 1st Club Officers Training Session (COTS) at Outram Club, Kolkata. We were honored by the presence of PDG Rtn. Ajay Agarwal, who shared his invaluable insights on the operational procedures of the club and guided us on the path forward. His experience and wisdom have truly inspired and equipped us to serve more effectively. We look forward to applying these learnings as we embark on a new Rotary year with enthusiasm and purpose.
