Rc Kolkata Lakes celebrated Raksha Bandhan at Lake Mall on 7th of July 2025 focussing on Thalassaemia awareness and prevention

From President's desk

Dear **Rotarians**,

It is with deep gratitude and humility that I accept the responsibility of serving as President of Rotary Club of Kolkata Lakes for the year 2025–26. I thank you all for the trust and confidence you have placed in me. Together, we will focus our collective energy on areas that truly touch lives:

- Health – extending healthcare access and preventive initiatives to those who need it most.
- Child Education – enabling young minds with opportunities to learn, grow and dream.
- Women Empowerment – creating avenues for dignity, livelihood, and independence.
- Environment & Sustainability – working for a cleaner, greener tomorrow.
- Public Image – strengthening Rotary's identity as a force for good in our community.

We will also strive for membership growth, bringing in like-minded leaders and young professionals, and connect with top corporates for CSR partnerships to drive impactful large-scale projects.

Equally important is building cohesiveness among our members – where friendship, fellowship, and service walk hand in hand. I firmly believe that when we stand united, there is no limit to what we can achieve.

Together, we can.
