## Stronger Together: Growing and Nurturing Our Rotary Family

Rtn. Anjali K

Rotary's strength lies in its people — in each member's time, talent, and spirit of service. As we grow forward, two things matter most: retaining our valued members and inviting new ones into our circle.

August, celebrated as **Membership and New Club Development Month**, reminds us to pause and reflect — are we doing enough to make our club a space of purpose, connection, and growth?

### **Retention begins with recognition**

When members feel seen and appreciated, they stay inspired. A heartfelt thanks to our Immediate Past President Rtn. Chetna Singh for doing just that — for acknowledging efforts in all forms, big and small, and reminding us that every contribution counts.

### **Engagement is another pillar.**

When members feel a sense of purpose, they stay committed. A role, a project, or a cause that resonates with their heart keep them attached. Even being involved in a small way can create a deep sense of belonging.

### **Growth, too, is essential.**

New members bring fresh energy and perspectives. Let's share our Rotary journey with those around us — friends, peers, and changemakers — and invite them to be part of this meaningful movement.

There's a special joy in seeing our club not merely as a group, but as a growing family of Trailblazers. Like every strong family, we flourish when we nurture meaningful bonds and keep our doors open — with warmth in our hearts and purpose in our actions.

Let's continue to build a Rotary that inspires — by retaining our roots and spreading our branches.

**In Rotary Service,  
Rtn. Anjali K - Editor**

PRESIDENT'S MESSAGE  
by President**Rtn. Vinay Pratap Singh****Installation Ceremony – Rotary Club of Hiranandani IVAN**

28<sup>th</sup> July 2025 will always be a milestone in my Rotary journey, as I had the honour of taking over as President of the Rotary Club of Hiranandani IVAN. We marked this special day with a grand installation ceremony at Vihang's Inn, Thane — a gathering filled with energy, warmth, and the true spirit of fellowship.

The evening saw a fantastic turnout of over 125 people — our own club members with their families, distinguished dignitaries from District 3142, and Presidents from neighbouring Rotary clubs. The atmosphere was a perfect blend of celebration, camaraderie, and commitment to service.

We were privileged to have District Governor Rtn. Harsh Makol and First Lady Rtn. Priya Makol as our Chief Guests. Their gracious presence, along with senior Rotary leaders including DS Meenal, AG Rtn. Madhu, Rtn. Srijit, Rtn. Nilesh, Rtn. Prasad Tendulkar, Rtn. Varsha Likhite, Rtn. Neha Nimbalkar, and respected members of the Council of Governors PDG Ashes Ganguli, IPDG Dinesh Mehta, DGE Nilesh Jayawant, DGN Chandrahas Shetty, PDG Bal Inamdar truly elevated the occasion and reminded us of the strong network we are a part of.

A heartfelt moment was the handover by our outgoing President, Rtn. Chetna Singh — fondly called our “Awesome President.” She reflected on a year full of impactful service projects, meaningful community work, and strong member engagement. Her leadership, passion, and commitment have set a high benchmark for us to follow.

One of the proudest highlights of the evening was the induction of 5 new members and their families into our Rotary family. This is a sign of our club's growth and vibrancy. Our Membership Director, Rtn. Aditi, has also taken on a special pledge from the District to induct at least 10 more members by 31st August — a goal I'm confident we will achieve together.

In my address, I shared my vision for the coming year — to focus on impactful projects, strengthen our membership, and build deeper connections within our community.

I also presented the annual budget and introduced our new Board of Directors, a strong and committed team ready to give their best for every initiative. Another special moment was the launch of our Club Bulletin, beautifully put together under the leadership of Bulletin Chief Anjali and PR Director Rtn. Sanjeev. We also had the privilege of hearing an inspiring talk by AKS member Rtn. D.P. Tripathi, who spoke on the true power of Rotary donations and how they can transform both communities and lives.

The evening ended on a high note — with a delicious dinner, lively conversations, and a sense of renewed purpose. As I step into this role, I carry with me the belief that together, we can create meaningful change. Let us embrace this Rotary year with passion, unity, and our guiding motto — Service Above Self.

**Rtn. Vinay Pratap Singh**  
**President**

**Rtn. Vinay Pratap Singh**

A distinguished resident of Hiranandani Estate, Vinay Pratap Singh is the CEO of the Indian subsidiary of a prestigious Danish multinational group, globally recognized as a leader in energy-efficient insulation solutions that help enrich and modernize living spaces while promoting sustainability.

In his current role, Vinay leads operations across India and the SAARC region, driving strategic growth and market leadership. He also serves as a member of the Asia Management Team, contributing to the company's broader regional vision and strategy. His illustrious career of over 26 years in the global building and construction industry includes steering diverse teams, launching innovative solutions, and creating long-term value for businesses, customers, and communities alike.

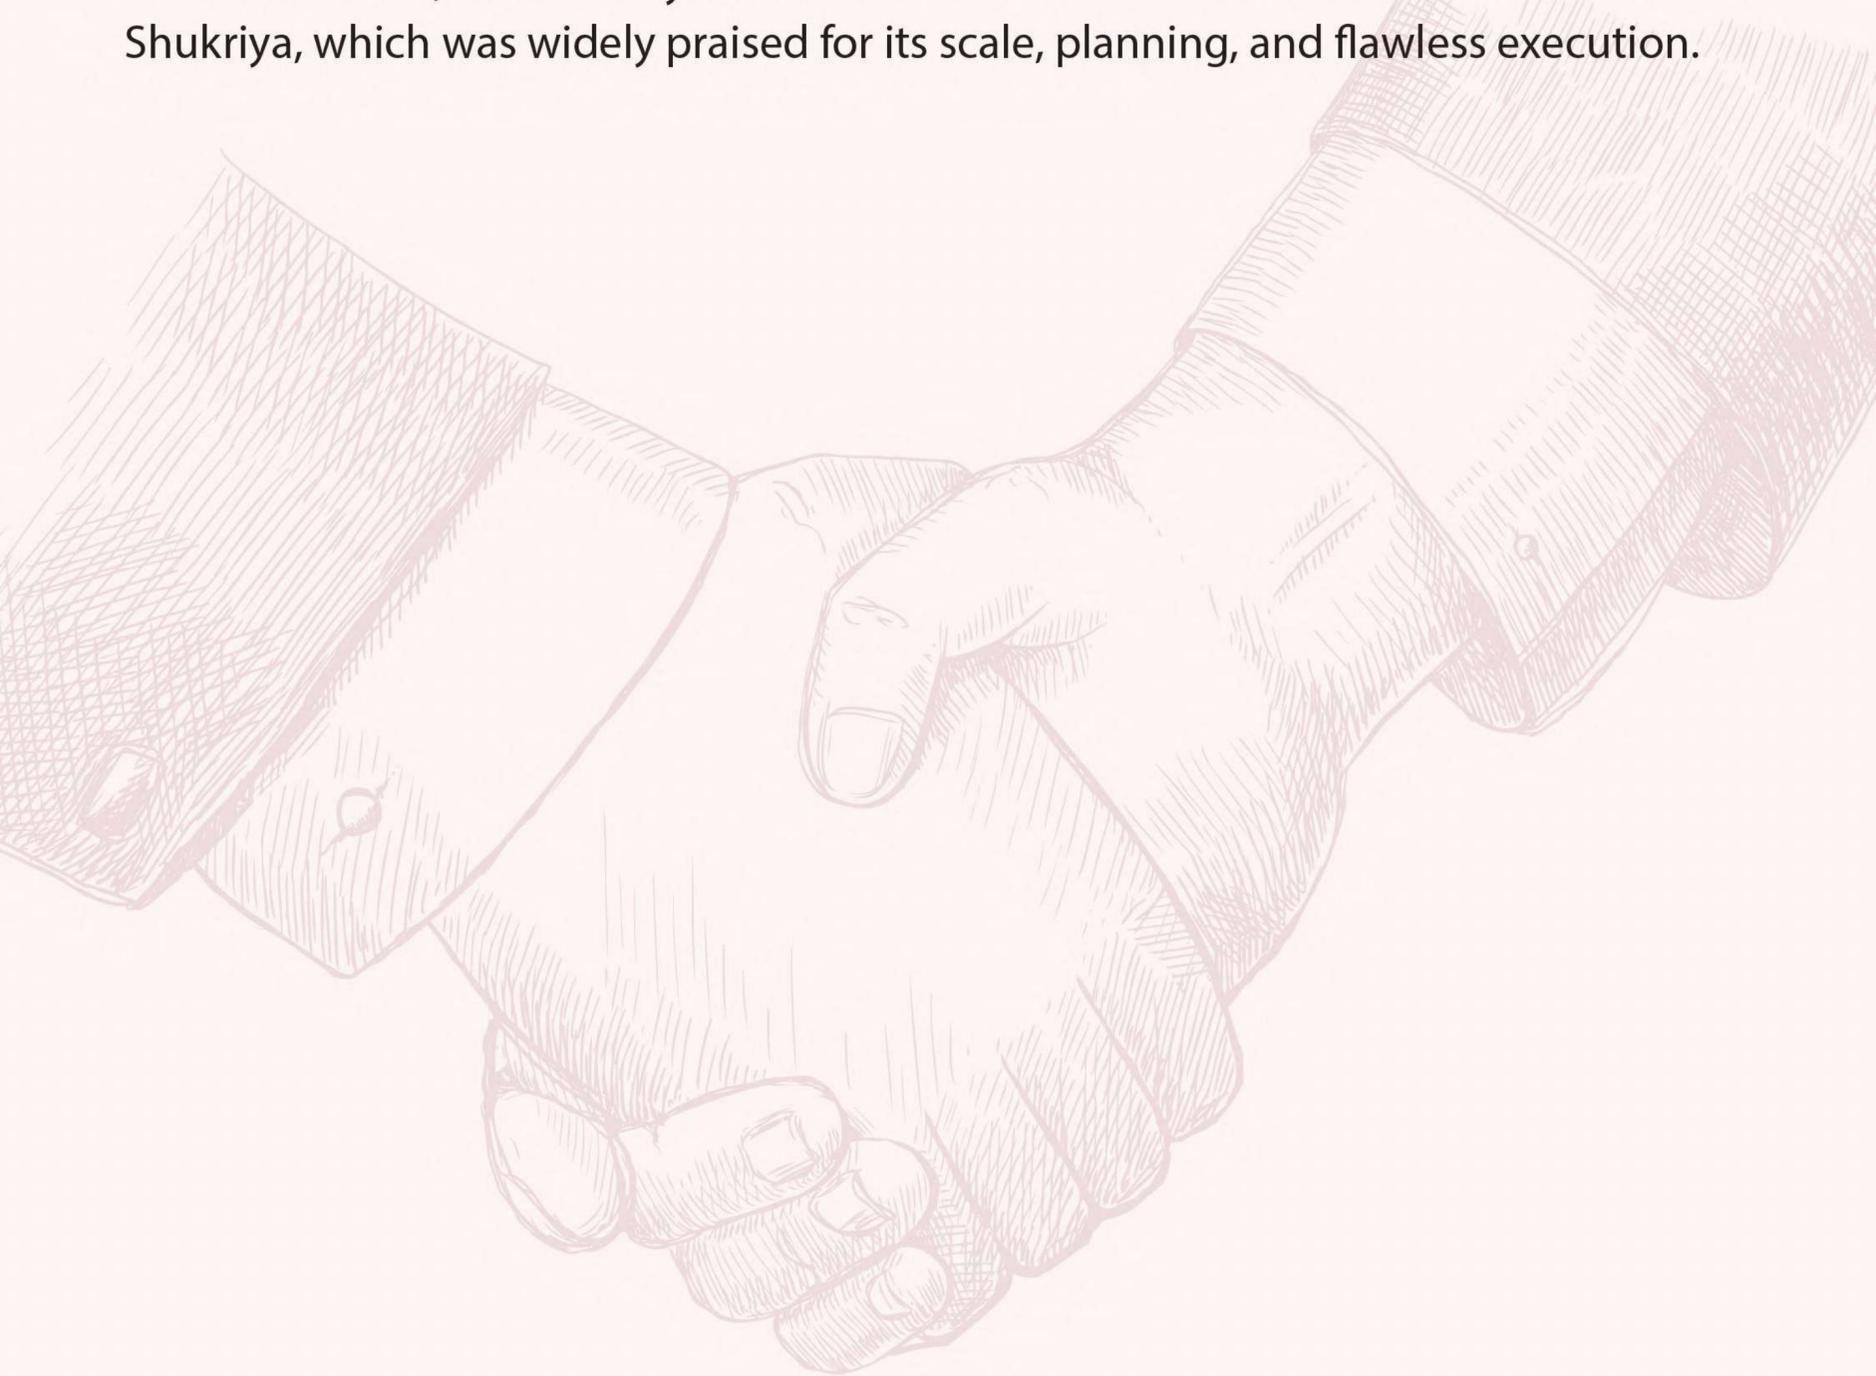

Vinay's academic journey reflects his passion for both technical expertise and leadership excellence. He is a Civil Engineer from NIT Raipur, holds an MBA from NIILM, Delhi, and has completed the Senior Management Programme at IIM Kolkata. His leadership abilities surfaced early—during his engineering days, he was elected College President and served as Board Director of the Rotaract Club (1994–1995, NIT Raipur branch), setting the tone for his future civic and professional engagement.

Beyond the boardroom, Vinay is a keen traveler who enjoys discovering new cultures, meeting people from all walks of life, and building global relationships. Deeply committed to giving back to society, he is associated with several NGOs working for education and empowerment of underprivileged communities. In his leisure hours, he enjoys playing indoor games, reading management and leadership books—especially those by his favorite thinker Simon Sinek—and listening to music for relaxation and inspiration.

Vinay's wife, Rtn Chetna Singh, is an Electronics graduate with an MBA in HR & Marketing. A dedicated Rotarian herself, she has built an impressive corporate career with global organizations such as IBM, Convergys, and Concentrix. As an entrepreneur and early-stage investor, she has backed three successful start-ups over the past decade, blending business acumen with a forward-looking mindset.

The couple is blessed with two children—Agrima Singh, a B.Tech & MBA graduate currently working as a Data Science Engineer at Sify Technologies, and Dev Pratap Singh, who is pursuing a Computer Science Engineering degree in the USA.

Since joining Rotary in July 2022, Vinay has contributed significantly across multiple club and district portfolios. Known for his organizational skills and ability to deliver with excellence, he recently served as Convenor of the Grand Awesome District Shukriya, which was widely praised for its scale, planning, and flawless execution.

## Living a Dream of Freedom, Growth and Sustainability

**Rtn. Sameer Gorivale**

My life is a mosaic of love and connection.

I am a doting father to my 9-year-old daughter, Samiksha, and partner to my minimalist soulmate, Shyamal. I share a warm bond with my beloved siblings, Sumedha and Sandeep, and cherish the company of my “supernatural allies.” Together with them, I have achieved Financial Independence and chosen to retire early from my professional career.

With 22 years of experience in software development, I have also explored my creative side by co-authoring two books — Manatarang, a Marathi self-help book, and Moral Magic, a collection of moral stories for children. I approach life with a practical mindset, civic sense, and deep sensitivity towards social and ecological issues.

As an enthusiastic problem solver with a strong ethical foundation, I co-founded the technology startup Aatman Informatics, dedicated to creating realistic solutions for the community.

My passion for sustainable living has led me towards farming and agro-tourism. For the wellbeing of the body, we became a weekend farmers, experiencing the joy of growing and harvesting food.

For the wellbeing of the mind, we created Greenjoy Agro — an experiential gateway and Minimalist’s Paradise, a registered agro-tourism destination with Maharashtra Tourism, nestled in serene nature and surrounded by hills.

I aspire to turn this farming and agro-tourism experience into a full-fledged commercial venture.

Through Rotary, I wish to channel my skills, experiences, and compassion into projects that leave a lasting positive impact on people and the planet.
