The Editors Perspective

## World Health Day Advancing Community Health Together

As we celebrate World Health Day on April 7<sup>th</sup>, we recognize the vital role Rotary plays in improving community health. Our commitment to service shines through initiatives aimed at promoting health awareness, preventing diseases, and providing access to essential medical resources through medical camp which have been done through this year.

Through our projects at Rotary Club Of Hiranandani Ivan —ranging from vaccination drives to health education workshops to helping the underprivileged children with heart surgeries — we are dedicated to ensuring that everyone has the opportunity to lead a healthy life.

Let's continue our focus on collaborating with local health organizations, mobilizing resources, and engaging our members in efforts to create a healthier future for all. Together, we can make a lasting impact.

## Message from the President

Hi All,

March began on a high note with the enthusiastic participation of eight RCHI members in one of the most vibrant district events of 'Awesome Year ' — Samanvay.

This unique gathering brought together two districts in a spirited celebration of camaraderie and unity among Rotarians. The event beautifully reflected the essence of Rotary — a global fellowship that transcends boundaries, united in its unwavering commitment to placing Service Above Self.

March marks the observance of Water, Sanitation, and Hygiene (WASH) Month.

In alignment with this initiative, RCHI has partnered with RCThane West on a Global Grant Project focused on implementing a solar-powered water irrigation system. This project aims to sustainably improve access to water, benefiting local communities and supporting agricultural development.

In addition, RCHI has already committed to supporting paediatric heart surgeries through a combination of CSR initiatives and funds raised via a charitable cricket tournament.

We have also sponsored a community kitchen in Gujarat through our CSR contributions. This initiative not only addresses food security but also empowers local women by providing them with opportunities for financial independence.

We are at the last quarter of the Rotary year and some exciting valuable mega projects are lined up .

Thanks to all club members for their continuous support towards the club .

Yours in service .

Warm regards,

**Rtn. Chetna Singh**

President
