# HISTORY OF ROTARY

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

Whatever Rotary may mean to us, to the world it will be known by the results it achieves.

**Paul Harris**

Rotary founder

## **Our ongoing commitment**

That commitment endures today through an organization that remains truly international. Only 16 years after being founded, Rotary had clubs on six continents. Our members now span the globe, working to solve some of our world's most challenging problems.

We're not afraid to dream big and set bold goals. We began our fight against polio in 1979 with a project to immunize 6 million children in the Philippines. Today, polio remains endemic in only two countries — down from 125 in 1988.

## Message-September 2024

**STEPHANIE A. URCHICK**  
ROTARY INTERNATIONAL  
PRESIDENT [2024-25]

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it.

Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional music from my childhood — when I saw a woman play the accordion the way my dad played — I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

**Rotary**

## *Best Wishes*

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters. I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother.

Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family.

Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club — other members of our Rotary family — feel like they truly belong.

Dear Ananna,

It gives me immense pleasure to pen down my message for your souvenir.

I am happy to learn that you are going to take over the reins of the newly formed club, RC Jamshedpur Green. It is very satisfying to see the service work your club is already engaged in. Continue with all the good work in each of Rotary's Areas of Focus.

The power to do good lies within each one of us. Our community is not just a place we live in, it's a shared space that thrives when we contribute to its well being. Each act of kindness, no matter how small, has the potential to create a ripple effect of positive change.

Imagine if each one of us took a moment each day to do something good for our community – it could be as simple as picking up litter, helping a neighbour or volunteering our time for a local cause. These small acts, when combined, form the foundation of a passionate and thriving community. Let us be the catalysts for change and inspire one another to lend a helping hand, to be there for those in need and to foster a sense of unity and belonging.

Sandeep & I congratulate you, Secretary Mamta and all members of your club and wish you a tremendous 2024-25. Tread ahead and create The Magic Of Rotary.
