

# CENTIMENTS – A JOURNEY

#2

NOV 2024

WELCOME TO OUR

## Monthly Newsletter

### Embracing the Spirit of Gratitude and Service

### EDITOR'S UPDATE

Dear Rotarians and Friends,

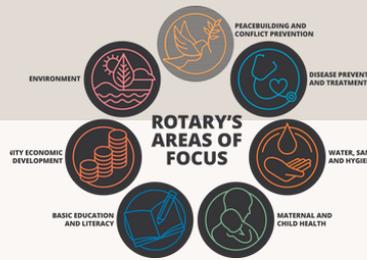

As the crisp air of November settles in, we are reminded that this month is a time for reflection, gratitude, and renewed commitment to service. Thanksgiving offers a moment to pause and appreciate the many blessings in our lives, and as Rotarians, it is also an opportunity to extend those blessings to others through acts of kindness and service.

This month, we celebrate Rotary Foundation Month, a time to recognize the profound impact of The Rotary Foundation in transforming lives around the world. Through grants and projects, we are tackling issues such as disease prevention, literacy, clean water access, and economic development. Every contribution, no matter how small, helps us create lasting change in communities near and far. Let us use this time to reaffirm our commitment to supporting the Foundation and its life-changing initiatives.

As we enter the season of giving, our club is actively engaged in meaningful projects, from food drives to supporting local shelters and schools. It is heartening to see our members come together with passion and dedication, embodying Rotary's motto: **Service Above Self**. Let's continue to be the hands and hearts that bring hope and relief to those in need.

November is also a moment to reflect on our personal Rotary journey. What inspired you to join this great organization? What impact have you seen, and how can you contribute further? As we move toward the year's end, let us renew our enthusiasm for service and inspire others to join our cause.

Thank you for your unwavering dedication to making a difference. Wishing you all a wonderful month filled with gratitude, fellowship, and impactful service.

A Month of Service, Growth, and Impact!

Greetings, Centennial Madras family!

November has been an inspiring month filled with impactful service initiatives, engaging meetings, and continued commitment to community development. With an impressive 78.1% attendance rate across three meetings, our club remains active and engaged in driving positive change.

💡 Looking Ahead

As we step into December, let's continue to make a difference with unwavering enthusiasm. Stay tuned for more service projects, engaging meetings, and opportunities to connect!

Together, we serve. Together, we grow.
