### **Celebrating the Season of Giving and Fellowship!**

Dear Rotarians and Friends,

As December unfolds, we find ourselves immersed in the season of giving, joy, and togetherness. This is a special time to reflect on the impact we have made throughout the year and to embrace the spirit of generosity that defines Rotary. Whether through service projects, fundraising efforts, or simple acts of kindness, we continue to make a difference in our communities and beyond.

December is also designated as Disease Prevention and Treatment Month in the Rotary calendar. Our collective efforts in promoting health, providing medical aid, and raising awareness about preventable diseases play a crucial role in building healthier communities worldwide. This is a moment to celebrate our achievements and look ahead to new opportunities for service in the coming year.

During this festive season, let us also take time to appreciate the friendships and bonds we have built within our Rotary family. Fellowship is at the heart of our organization, and the connections we make inspire and empower us to keep serving with passion and dedication.

As we bid farewell to another year, let us carry forward the lessons, successes, and aspirations that have shaped our journey. May this season bring you and your loved ones peace, joy, and fulfillment in all that you do.

Wishing you all a wonderful holiday season and a prosperous New Year!

## MEETINGS & ACTIVITIES

A Month of Service, Celebration, and Commitment!

Dear Members,

As we bid farewell to 2024, we take immense pride in the achievements of Centennial Madras this December. From impactful health initiatives to vibrant celebrations, our club has exemplified the true spirit of service. Here's a recap of our remarkable journey this month.
