

## MID-CITY SAMACHAR

*Dil Se...*

### Note from Vibrant President 2024-25

Dear Family

It is an honor to represent Rotary Club of Bombay Mid-City as 38<sup>th</sup> President for the vibrant year 2024-25. I always admired rotary for two things:

1. Members volunteer themselves to serve the community and finally become passionate to serve the community
  2. They find purpose of life while trying to cheering up others
- Whether a president or a volunteer being Rotarian itself changes our lives.

Friends as we embark on this journey Vibrant Rotary year, We have decided to pick up a theme for this year as **"Year of Health & Happiness"** and work toward health of all members, community & environment, happiness of all children & women. We made one promise to ourselves during installation:

1. Lets make at least one person healthy
2. Lets make at least one person happy
3. Make an effort to make our environment future generation ready

I urge all of you to lets join hand together and make a small effort for atleast one person of our community healthy & happy.

Finally, my predecessor has done wonderful job and hence it will not be easy to fill in the shoes, however with this power of Sankalp i believe we will be able together carry the Mid-City flag higher.

**Keep looking at our Mid-City News.**

Yours

**President: Ajay Mishra**
