MANBHUM UNPLUGGED- DOCUMENTING SERVICE, FELLOWSHIP & GROWTH

Shanknaad - Charter Handover Ceremony

We are proud to announce the formation of the **Rotary Club of Manbhum**, officially chartered on **11 October'25** under **Rotary International District 3291**. This marks the beginning of an exciting journey of fellowship, leadership, and service to our community and beyond.

Our club brings together passionate professionals, business leaders, and community members who share one common goal – to live by Rotary's motto, "*Service Above Self*." Guided by the core values of **fellowship, integrity, diversity, service, and leadership**, we aim to create meaningful and sustainable impact through local and global initiatives.

The installation of our **Charter President, Secretary, and Board Members** marks the start of a new chapter – one filled with opportunities to grow, connect, and serve. Together, we look forward to launching projects that uplift our community, empower individuals, and promote goodwill and understanding.

The objective of the project was to promote environmental awareness, contribute to a greener ecosystem, and encourage members to take part in sustainable initiatives by planting trees.

Members enthusiastically participated in planting 50 saplings in the designated area. Each member pledged to take care of the saplings until they grow into full trees.

The drive strengthened fellowship among members, with everyone sharing breakfast together, fostering unity and goodwill. The initiative emphasized the importance of environmental conservation and community responsibility.

The project successfully contributed towards increasing green cover and environmental awareness among members and the local community. It also reinforced the bond of fellowship and teamwork within the club. We extend our sincere gratitude to our Chairman for his leadership and hospitality, and to all members who actively participated to make this project a success.

Silver Smiles

The project aimed to bring warmth, comfort, and happiness to the elderly residents by providing essential items and spending quality time with them, reminding them that they are loved and cared for. The team interacted warmly with the senior citizens, sharing smiles and heartfelt conversations.

Blankets and snacks were personally distributed to each resident, spreading comfort and joy . We also donated a month's ration & medicines, and everyone spent cheerful moments together in a friendly atmosphere . The elderly blessed the members wholeheartedly, and in return, they offered prayers for everyone's well-being.

The project reflected compassion, humanity, and the true spirit of service . The project brought visible joy to the faces of the elderly and reinforced the importance of caring for our senior citizens.

Members experienced deep emotional satisfaction and a renewed sense of purpose through service. We extend our heartfelt gratitude to all members and volunteers who contributed their time and resources. Special thanks to the Chairman for leading this noble initiative and ensuring its success.
