

WELCOME BUSINESS MEET

Rotary business meetings are vital for club function. Metroites gather to discuss operations, review finances, and share updates on impactful service avenues. These formal, members only sessions include voting on key decisions, ensuring transparent organizational management and effective community service.

TRIUMPH ON FOOT: DASARA ROTARY HERITAGE WALK

The inaugural Dasara Rotary Heritage Walk has proven an excellent idea, thanks to the visionary concept of "young Turk" Rtn. Bharat Kumar! This stunning success to enhance the Rotary Image.

The event was made joyous by the leadership of Chairman Rtn. Ravindra Babu, the planners & executers: Rtn.Srinivasan Rtn. Bharat Rtn. Satyendra, Rtn. Channakeshava, Rtn. Jeevaraj.

Moral support and contributions poured in from a distinguished group including DG Rtn Ramki, DGN Rtn. Someshekar, PDG Rtn. Keshav, Rtn. Dr Shivprasad, Rtn. G K, Alagappan, Rtn. Sundar, Rtn. Prahlad, Rtn. Umeshanna, Rtn. Ganganna and many many more.

Generous contributions from Metroites, District officials made this family event a great success. Kudos to everyone who contributed and participated! With such incredible talent and teamwork, Rotary Mysore Metro is set to achieve wonders!

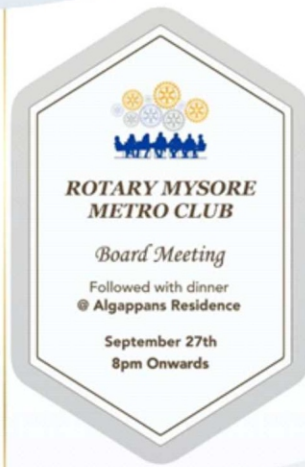

Metro- Everybody onboard

The September board meeting was a unique Rotary fellowship, brilliantly hosted by our dedicated mentor and guide, Rtn. Alagappan!

In a wonderful twist, Alagappan Sir invited all Metroites to join in for a magnificent post-meeting fellowship and dinner at 8:00 PM. The hospitality was nothing short of legendary! Members raved about the delicious food and the fantastic arrangements. As one member put it, "Our hearts are full, and our stomachs are even fuller ☑. Thank you for hosting us like kings!" Another joked that it was "Good that we have a walkathon tomorrow" to work off the incredible spread! The entire evening was a delightful blend of great company and impeccable service, proving once again that Rotary is about both serious work and joyous connection.

A Big Salute to Alagappan Sir

Dear Alagappan Sir, you truly never fail to spoil us!

Today's meeting and dinner was yet another shining example of your legendary hospitality—a big salute to your generosity. We wholeheartedly thank you for hosting a superb evening, ensuring every member felt welcomed and cherished. Your commitment to fostering fellowship is deeply appreciated!

NIE JOINS THE FOLD

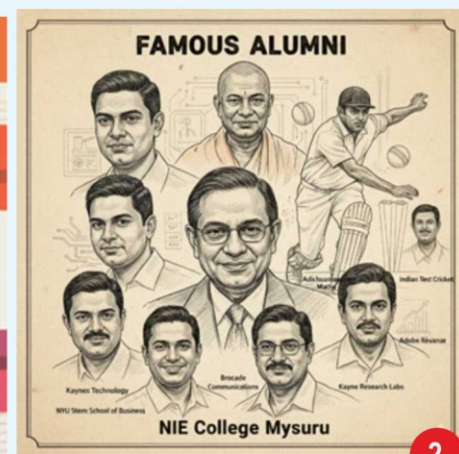

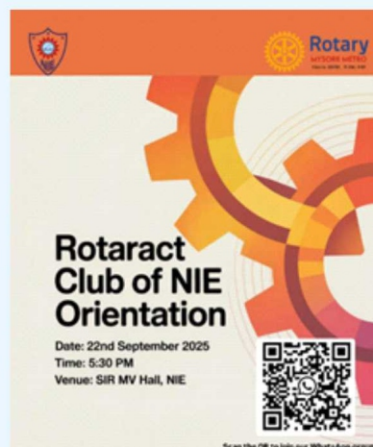

Our club, with a large, proud engineering contingent, has successfully added the famed NIE College of Engineering to its fold! Today marked a significant step with a successful orientation session held at the college, introducing students to the inspiring world of Rotaract.

A massive thank you and special commendation must go to Rtn. Sanjaya Kumar for spearheading this initiative. His dedication and effort were instrumental in making this vital connection happen, paving the way for a new generation of leaders and service-minded citizens at NIE.

The session featured a motivating talk from Past DRR Rotaractor Darryl. He eloquently shared the core vision, values, and impactful opportunities available through Rotaract, clearly resonating with the enthusiastic student audience.

President Gopal Krishna officially welcomed this exciting new initiative, assuring the emerging Rotaract Club at NIE of the senior Rotary club's full and unwavering support. Metro Youth Service Director Rtn. Srinivas MN opined that this new partnership promises to channel the energy and innovation of NIE's bright young minds into impactful community service projects.

Engineers Elated @ 19th Sep

A magnificent celebration of Engineers' Day! Our Rotary Mysore Metro Club truly honoured the architects of our nation's progress, and I was thrilled to be part of the celebration.

The spirit of the event was perfectly captured by recognizing our own nineteen engineer Metroites. They are an incredible group, representing the backbone of modern India, with experience spanning diverse fields like oil, steel, construction, software, defence, and aviation. It was inspiring to think about their collective work, from laying pipelines and constructing monumental buildings to developing cutting-edge software and ensuring national security. Each engineer present is a genuine visionary and a silent force behind the country's development.

The event itself was both celebratory and fun. Upon arrival, every engineer

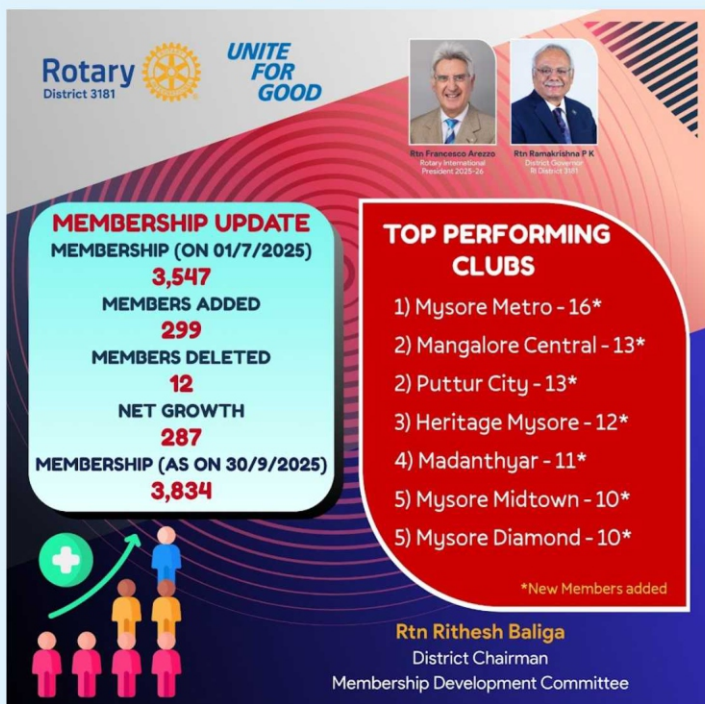

was given a great welcome, warmly draped with a ceremonial brocade scarf, instantly setting a special tone. This was followed by a lovely, engaging quiz that tested our knowledge and celebrated engineering feats. The true highlight, however, was the ceremony where each

engineer was honoured by adorning a graduation cap. This simple act, followed by taking lovely graduation pics, was a playful yet meaningful nod to their intellect and achievements. Engineers young & old from Rtn. Salil Das, Rtn. Sundar to the younger enjoyed the event.

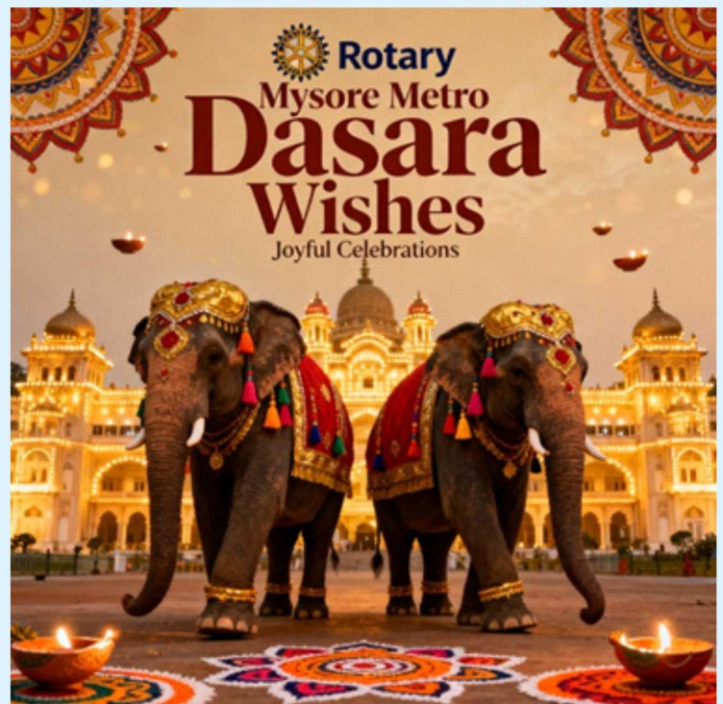

It was especially moving to reflect on the fact that Engineers' Day is inspired by our own Mysorean pride, Sir M. Visvesvaraya. His pioneering spirit continues to inspire the dedication and ingenuity of our engineers as they shape the India of tomorrow. A truly heartfelt Happy Engineers' Day to all!

ROTARY INFORMATION

RI PRESIDENT: ROTARY INDIA - HIGHEST SERVICE PROJECTS IN THE WORLD

In an interview published in the Rotary News India, RI President Rtn. Francesco Arezzo lauded Indian Rotarians. Rotary International consistently recognizes India for achieving the highest scale of service globally. A well-earned distinction, driven by its massive member base and the execution of high-impact projects.

The foundation of this success is Rotary's huge footprint: Today, India boasts over 174,000 Rotarians across more than 4,600 clubs, plus an additional 2,225 Rotaract clubs. This high volume of membership, energized by younger members, translates directly into an immense number of volunteer hours, magnifying Rotary's impact.

Furthermore, the Rotary Foundation in India (RF(I)) has championed large-scale projects, reflecting the country's big contributions. As of 2024, the RF(I) has supported over 3,375 projects with a cumulative value of approximately \$1.5 billion USD over the past decade. Landmark efforts include Rotary's pivotal role in India's certification as polio-free in 2014.

Financial strength is boosted by Corporate Social Responsibility (CSR) partnerships, with RF(I) collaborating with nearly 500 companies. This commitment to ambitious service was recently highlighted by a \$2 million grant in 2025 for a water conservation program. As RI President Francesco Arezzo stated in 2025, the "quantum of service by Rotary in India is the highest in the world."
