## LETTER FROM RI PRESIDENT

February 2024

I am enthused and encouraged by your embrace of mental health initiatives throughout the Rotary world. More than 1,000 of you have responded so far to an ongoing survey by the Rotary Action Group on Mental Health Initiatives, offering your feedback on what Rotary can do to improve the personal well-being of members.

The top suggestions are illuminating. Rotary members are asking for more fellowship, camaraderie, conversation, cohesiveness, and connection. They also want more recognition, validation, and integration. They are seeking more service opportunities, and they want more wellness activities, including mental health speakers, awareness efforts, and education.

Our members not only appreciate the greater focus on mental health, but they also believe that making more of the Rotary experience will materially improve their lives. I find it interesting that members are not asking anything dramatically new of their club — rather they want more of what we do best. For example, connection can be improved during meetings simply by assigning seating once each month to encourage people to speak with someone new.

Here are some great ways that we can help achieve these results and make Rotary more appealing to those considering membership. First, we need to acknowledge the importance of increasing belonging in our clubs and to encourage Rotary members to make the most of every opportunity for new and stronger connections. Public health experts worldwide are concerned about increasing levels of loneliness — the U.S. surgeon general has even declared it an epidemic. Mental health experts agree that finding groups and clubs around common hobbies and interests is a strong way to create greater connectedness. This is what Rotary is all about. We need to make sure all of our members are fully engaged and that our communities are better aware of this inherent strength.

Second, if your club has found new ways to build connection, please share your stories with us at [mindhealth@rotary.org](mailto:mindhealth@rotary.org) so we can make them more broadly known within the Rotary world. Your good ideas might inspire others. Post your service project stories on Rotary Showcase.

And finally, I encourage you to share feedback from surveys like this with your club and bring forward your own ideas to improve your club experience and meet your peers' expectations. The journey we have begun is about more than mental health. It is about taking advantage of the full strength of our wonderful organization and helping all members feel that they are part of a community that cares deeply about their personal well-being.

Everything you do to strengthen connections in Rotary, with each other and the people we serve, also helps improve mental health. And everything we do to improve mental health helps strengthen those connections. Let's continue this virtuous cycle.

## LETTER FROM PRESIDENT

The February month is celebrated as Peace and Conflict Prevention/Resolution Month. Friends, conflict and violence displace millions of people each year. Half of those killed in conflict are children, and 90 percent are civilians. We refuse to accept conflict as a way of life. Rotary projects provide training that develops understanding and provides communities with the skills to resolve conflicts. Rotary makes help happen through our service projects, peace fellowships, and scholarships. We have tried to furnish more information about Rotary's role in peace building in this issue of Rotarynama.

January witnessed a number of events, including the District Conference in our own city. The conference went on for 2 days on the 6th and 7th of January. It was attended by more than 1800 Rotarians around the district. Our club also made our mark as 40 members attended the event and three of our members got an opportunity to conduct a session as a Master of Ceremony. The conference had a number of inspiring speakers like renowned actors Anupam Kher, Vivek Agnihotri, IPS officer Krishna Prakash, social worker Bharti Thakur, entrepreneurs Piyush Somani and Pallavi Utagi, to name a few. Vocational Service awards were also distributed at the hands of economist, writer and actor, Shri Deepak Karanjeekar who also delivered an extremely studied lecture 'Vocation'. Rotarians alongwith their families also enjoyed box cricket. We also conducted Patrakar Puraskar, wherein Jeevan Gaurav Puraskar was given to Shri Chandulal Shah, along with felicitation of 20 more reporters. Club service events, Interact activities, shetkari bazaars at two place are going on in full swing! Our doctor's team also conducted a multi disciplinary medical check up camp at Vilvandi village, wherein more than 200 villagers had their health checked up. Overall January was also an eventful month and kept the Rotary spirit alive.

It is seen that the concept of 'month leader' is very successful and working extremely well, as the number of events and programmes has risen. However, we need to still work on some of our grey areas like involvement of more and more Rotarians in the events as well as field projects, better communications between the board of directors and the month leaders etc. We must concentrate on offering better quality programmes than the quantity.

## LETTER FROM EDITOR

आज मी एका महत्वाच्या विशयावर बोलणार आहे. अगदी मनमोकळे पणी.

शांतता आणि विवाद प्रबंधन

"वसुधैव कुटुम्बकम्" या उदात्त विचाराची आज संपूर्ण जगाला आवश्यकता भासत आहे. संत श्रेष्ठ ज्ञानेश्वर माऊलींही देवाकडे पसायदान मागत आहेत की "

जे खळांची व्यंकटी सांडो!

तया सत्कर्मी रती वाढो!

भुता परस्परे पडो, मैत्र जीवांचे! थोडक्यात सांगायचे झाले तर माऊलीं परमेश्वराला प्रार्थना करत आहेत की, माणसा माणसांतील मतभेद, तंटे बखेडे संपुष्टात येऊन खेळीमेळीचे, मैत्रीचे, शांततेचे वातावरण या जगात नांदू दे.

दुरितांचे तिमिर जावो

विश्व स्वधर्म सूर्य पाहो,

जो जे वांछील ते तो लाहो प्राणीजात.

आजच्या युगात शांतता म्हणजे सामाजिक संस्था किंवा संघटनांमध्ये शारीरिक आणि रचनात्मक हिंसेचा अभाव असणे. इथे सामाजिक संघटनांमध्ये कुटुंब संस्था ही येते. अल्बर्ट आईन्स्टाईन यांच्या मते शांतता म्हणजे न्याय कायदा किंवा शासनाची उपस्थिती, सुव्यवस्था. मानव कल्याणासाठी, मानव हितासाठी, प्रत्येक व्यक्तीला आनंदाने जगता यावे यासाठी, विविध जाती-जमातीतील लोकांमध्ये सुसंवाद साधता यावा यासाठी तसेच व्यक्तीच्या आंतरिक आणि बाह्य सुरक्षिततेसाठी शांततेची गरज असते. शांततेमुळे जीवन गुणवत्ता पूर्ण होते. गुणवत्ता पूर्ण जीवन म्हणजे सांस्कृतिक संघटन, उत्तम पर्यावरण, सामाजिक आधार, उत्तम आरोग्य, चांगली आर्थिक परिस्थिती, शारीरिक विश्र्वांती, समाधान तसेच आरोग्य आणि सामाजिक सेवांची उपलब्धी. पण आजच्या जगात शांतते समोर अनेक आव्हाने आहेत. आज जगातील प्रत्येक व्यक्तीला ताण, दहशतवाद, मतभेद, संघर्ष, हिंसा, गुन्हे, युद्ध इत्यादींच्या सावटाखाली वावरावे लागत आहे.

संघर्ष म्हणजे मतभेद, दुरावा, निषेध किंवा विवाद. दीर्घकालीन चालू असलेला गंभीर स्वरूपाचा युक्तिवाद किंवा मतभेद किंवा दुमत म्हणजे संघर्ष. मतभेद असणे किंवा मतभेद निर्माण होणे हे रोजच्या जीवनात अगदी शक्य आहे मतभेद कोणतेही असू शकतात. कुटुंबामध्ये सहकाऱ्यांमध्ये कामाच्या ठिकाणी मतभेद असू शकतात. मतभेदामुळे आयुष्य कठीण आणि गुंतागुंतीचे होऊ शकते. कुटुंबातील संघर्ष आणि कामाच्या ठिकाणी असलेल्या संघर्षाचा परिणाम नकारात्मक होतो. घरातील संघर्षामुळे अनावश्यक चर्चा वाढतात, निराशा जनक वातावरण निर्माण होते, घरात तणावपूर्ण वातावरण राहते, घराच्या विकासाला खेळ पडते आणि नात्यांमधील दुरावा वाढतो. कामाच्या ठिकाणी असलेल्या संघर्षामुळे उत्पादनात घट होते, प्रगती खुंटते, नकारात्मक स्पर्धेचा उदय होतो आणि ऊर्जेचा न्हास होतो. संघर्ष केवळ व्यक्ती व्यक्तींमध्येच नव्हे तर देशांमध्ये राजकीय पक्षांमध्ये राज्या राज्यांमध्ये जमाती जमातींमध्ये सुद्धा होऊ शकतो. मतभेदामुळे वातावरण गढूळ होण्यापूर्वी, मतभेद अधिक दृढ होण्यापूर्वी आणि त्यातून कटूता निर्माण होऊन परस्परातील संबंध बिघडण्यापूर्वी, संघर्षाचे दुष्परिणाम भोगण्यापूर्वी प्रतिबंधात्मक उपाययोजना करणे गरजेचे असते.

प्रत्येकाची मतभेद हाताळण्याची पद्धत वेगवेगळी असू शकते. जसे की मतभेदाकडे, वादाकडे दुर्लक्ष करणे किंवा ज्या व्यक्तीशी मतभेद आहे त्या व्यक्तीला टाळणे किंवा त्या व्यक्तीला आपला मुद्दा पटवून देण्याचा चांगल्या प्रकारे प्रयत्न करणे किंवा त्या व्यक्तीशी जुळवून घेणे. प्रत्येकाने आपला प्रसंगानुरूप योग्य तो पर्याय निवडून संघर्षाचे प्रतिबंधन करण्याचा प्रयत्न करावा. विरुद्ध मतवादांशी सुसंवाद साधण्याचा प्रयत्न करावा. संवाद पुढील प्रमाणे साधता येऊ शकतो.

समोरच्या व्यक्तीला त्याची मते मांडण्याची संधी द्यावी. तो मत मांडत असताना जरी तुम्ही सहमत नसाल तरी त्याला मध्येच थांबवू नये. आपले स्वतःचे मत तयार करण्यापूर्वी त्याचे म्हणणे पूर्णपणे ऐकून घ्यावे. तुमच्या देहबोलीतून समोरच्याला त्याची मते मांडण्यापासून परावर्त करू नये. जेव्हा समोरच्याचे बोलणे संपते तेव्हा तुम्हाला काही शंका प्रश्न असतील तर ते विचारावेत. त्याच्या बोलण्याचा सारांश समजून घ्यावा. असे केल्याने तुम्हाला परिस्थितीची योग्य कल्पना येते आणि समोरच्याला आपली बाजू ऐकून घेतल्याचे समाधान मिळते. तुमची बाजू मांडताना मनात कोणतेही गृहीतक न धरता मोकळेपणाने तुम्हाला काय वाटते ते सांगावे. समोरच्याला दोष न देता किंवा दुसरे न लावता तुम्ही तुमच्या गरजांचे शारीरिक आणि मानसिक विश्लेषण करावे. तुमचे त्या विषयाबाबतीत काय मत आहे किंवा विचार आहेत किंवा निरीक्षण आहे यावर जास्त भर द्यावा. जुन्या गोष्टी जुन्या घटना किंवा जुन्या चुका उकरून काढू नयेत. भावनांना आवर घालून शांतपणे आपले मत प्रगट करावे. असे केल्याने संघर्ष टाळून सुसंवाद साधता येतो. संघर्ष टाळण्यासाठी प्रसंगी थोडे नमते घेतले म्हणून कोणी लहान किंवा कोणी मोठा न होता समाजात, कुटुंबात, कामाच्या ठिकाणी दोन देशांमध्ये, राज्यांमध्ये, जमातींमध्ये सलोख्याचे वातावरण निर्माण होते आणि अधिकाधिक प्रगतीला वाव मिळतो. संघर्षामुळे होणारी हानी टाळता येते आणि शांतता, सुव्यवस्था सुराज्य प्रस्थापित करता येते.

शेवटी इतकेच म्हणावेसे वाटते की

"माणसाने माणसाशी माणसासम वागणे, हीच आमची प्रार्थना, हेच आमचे मागणे"

# Organ Donation Awareness Program

**Nasik :** Rotary club of Nasik organized an organ donation awareness program for MBBS students of Dr. Vasant Rao Pawar medical college at Adgaon. Organs like eyes, kidneys, intestines, liver, heart, skin can be harvested after death. Eligible and responsible citizens can pledge their organs for donation by registering on National Organ and Tissue Transplant Organisation (NOTTO) website and keeping their family members informed about the pledge. According to available data, more than 500000 patients die because they do not receive organs. We can live life even after death by donating our organs

after death. On the other hand, citizens should refrain themselves from responding to fraudulent organ donation requests circulating on social media.

President Mangesh Apathankar informed the students about various Rotary activities. Rot Dr Anita Nehete explained how skin is harvested after death and how it is a boon in case of burnt patients. Rot Dr Shreya Kulkarni explained the importance of organ donation. # 75th Republic Day Celebration

26 Jan 24 Rotary Hall, Ganjmal

Republic Day was celebrated by club members in festive mood. President Rtn Mangesh Apshankar unfurled the national flag. Here are some highlights:-

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts. Rotary creates environments of peace As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect. By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources. Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved. Rotary creates environments where peace can happen.

Conflict and violence displaced more than 68 million people in the past year, and half of those are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

#### **HOW ROTARY MAKES HELP HAPPEN**

Through our service projects, peace fellowships, and scholarships, our members are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources.

Rotary makes amazing things happen, like:

**Improving quality of life.** Rotary members founded the People for People Foundation, which has helped 10,000 families afford food, clothing, rent, utilities, medications, and other necessities.

**Raising awareness of bullying.** Rotaract clubs in the Philippines conduct anti-bullying campaigns in schools to teach children how to handle conflict peacefully from an early age.

**Protecting domestic violence survivors and their families.** The U.S. state of Louisiana has the fourth highest incidence of death caused by domestic violence. Local Rotary members met this issue by helping a shelter provide food, clothing, legal advocacy, and counselling to over 500 women in one year.

**Promoting positive peace.** Rotary has partnered with the Institute for Economics and Peace, an independent think tank and leader in the study of peace and conflict, to help address the root causes of conflict and create conditions that foster peace.

#### **Peace Fellowships**

Each year, Rotary awards up to 130 fully funded fellowships for dedicated leaders from around the world to study at one of our peace centres. Through academic training, practice, and global networking opportunities, the Rotary Peace Centres program develops the capacity of peace and development professionals or practitioners to become experienced and effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and all internship and field-study expenses.

Since the program began in 2002, the Rotary Peace Centres have trained more than 1,300 fellows who now work in more than 115 countries. Many serve as leaders in governments, NGOs, the military, education, law enforcement, and international organizations like the United Nations and the World Bank.

#### **Our fellowships**

The Rotary Peace Fellowship is designed for leaders with work experience in peace and development. Our fellows are committed to community and international service and the pursuit of peace. Each year, The Rotary Foundation awards up to 50 fellowships for master's degrees and 80 for certificate studies at premier universities.

#### **Master's Degree Programs**

Accepted candidates study peace and development issues with research-informed teaching and a diverse student body. The programs last 15 to 24 months and include a two- to three-month field study, which participants design themselves.

**Professional development certificate program**

During the one-year program, experienced peace and development professionals with diverse backgrounds gain practical skills to promote peace within their communities and across the globe. Fellows complete field studies, and they also design and carry out a social change initiative.

#### **Application Timeline**

Candidates have until 31 May to submit applications to their district. Districts must submit endorsed applications to The Rotary Foundation by 1 July. Learn more about the endorsement process.

#### **Our approach**

We see peace not as an abstract concept but as a living, dynamic expression of human development. Peace building is a cornerstone of our mission as a humanitarian service organization, and it is one of our six areas of focus — the channels of activity through which our members make their mark on the world. Our programs, grants and fellowships focus on creating environments where peace can be built and maintained. Rotary believes that if concerned citizens work together to create peace locally, lasting change can happen globally.
