LETTER FROM RI PRESIDENT

January 2024

In difficult times like these, it's impossible to avoid feeling heartbroken over the devastation and loss of life caused by war and destruction.

Rotary always stands against harming and displacing civilian populations and using armed aggression instead of pursuing peaceful solutions. We advocate for the observance and respect of international law. We believe in strong action to defend and promote peace, even in the darkest of times.

But we also take our position as an international, nonpolitical, nonreligious organization seriously. To respect the global perspectives and experiences of our members, and to work most effectively in our peacebuilding efforts, we do not choose sides in conflicts.

Rotary is made up of 1.4 million people in communities all over the globe who are united in our commitment to building a peaceful world. We strive to ensure that our words and actions prioritize the health and safety of our global membership and the communities where we live and serve.

Our members seek to offer humanitarian assistance to those affected by conflict, and our global reach requires that we promote peacebuilding and conflict prevention with cross-cultural, cross-border connections and friendship through Rotary.

For decades, Rotary has harnessed these connections to carry out service projects, support peace fellowships and scholarships, and establish programs like Rotary Peace Centers to help build lasting peace. Our members also take action to promote Positive Peace, addressing the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Rotary members who wish to wage peace can use district grants and Rotary Foundation global grants to support projects with other Rotary members that help refugees and displaced people, provide medical support, and more worldwide. Members can also work with or join peace-focused Rotary Action Groups, Friendship Exchanges, Fellowships, and intercountry committees. And District Designated Funds or district cash can support our peacebuilding and conflict prevention efforts.

Members and nonmembers alike can learn more about peacebuilding through the Rotary Positive Peace Academy, a free online course available to anyone with an internet connection. You can find it at **positivepeace.academy/rotary**.

There is no denying that incidents of violence and atrocities being perpetuated around the world seem to be escalating. Global peace is fragile, and the stakes are getting higher.

Still, we know that it is possible to bring all people together to work toward a shared goal. Rotary members do so every day in every part of the world. May our ability to unify in common purpose be a spark that helps light the path out of these dark days.

Together, let's *Create Hope in the World*.

Rtn Mangesh Apshankar

President 2023-24

LETTER FROM PRESIDENT

Hello one and all! By the time, this issue of January Rotarynama reaches you, we would have bade farewell to year 2023! On behalf of our team, I wish all of you and your families, a very happy, prosperous and healthy new year of 2020! May God bless you all with His choicest blessings!

Like earlier months, December also witnessed a series of very interesting programmes. There were fund raisers like lecture series on Swami Samartha with Samartha Mandir Trust Jamb and Sam Bahadur movie show, the proceeds of which shall be deployed for renovation of ZP school Kacharwadi. We also had performances by children from Aadharashram, where our lady members had been visiting for 3 months to teach them different skills. In order to elevate image of Rotary in public, we had 'open to all' programs like 'Surakshit Guntavnukitil Dhoke' by Adv Kantilal Tated and 'Growing up as Parents' by Dr Bhooshan Shukla. Off course, a musical tambola with family dinner was a wonderful fellowship that everybody enjoyed.

Friends, we will be celebrating January as Vocational Service Month. The literal meaning of the word 'vocation' is generally a job that requires a particular set of skills acquired through experience or through training but not necessarily dependent on a college degree. The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to develop acquaintance as an opportunity for service; high ethical standards in business and professions; recognition of the worthiness of all useful occupations and dignifying of each Rotarian's occupation as an opportunity to serve society. As a Rotarian, we must talk about our vocation in our club, and take time to learn about fellow members' vocations, use our professional skills to serve a community and practice our profession with integrity as well as inspire others to behave ethically through our own words and actions. For someone to become a Rotary member, it is extremely important for him/her to be fairly successful in his profession. Because unless and until he/he has reached a certain milestone in his success, it would be very difficult for him to give back to the society and help others achieve his or her career aspirations.

While on the subject, it is noted that the monthly programmes and projects are attended by members in a very small numbers. Absenteeism remains an increasing concern. Being present in large numbers not only makes the events successful but also encourages the organisers to perform better. It is sincerely appealed to all members to mark their presence felt, by attending meetings and participate in various projects in whichever capacity that is deemed fit.

The District election committee has recently announced Rtn Dr Rajesh Patil as the District Governor Nominate Designate for year 2026-27. We wish to congratulate him and best wishes!

Enjoy reading another fresh issue of Rotarynama!!

Editor 2023-24

LETTER FROM EDITOR

This year has rather started on a very high note; high on energy, High on creativity, High on humanity and High on enlightenment. I hope all the upcoming months and years are just like that.

You know what I liked the most about this month was the enthusiasm and the projects that were carried out by our very own interactors. A big shoutout and pat on their backs for there efforts!

One of the happening events was of course the PICNIC, you can't agree more, can you? Jeevan Gaurav Award and our District Conference in a very scenic venue of Grape County.

Our program on "पालक म्हणून मोठे होताना" by Dr. Bhushan Shukla was a real good deal for new parents like us (Pranav and I) and all the young parents of our club.

We also had visitor from Srilanka and Uganda which you will learn more about in this issue.

With all these programs happening, I fall short of words to express how great it feels to be a part of such generous community.

I would like to congratulate and wish all the very best to our President and Hon. Secretaries for the eventful 6 month that were and the coming 6 months that will be.

Good luck! stay happy stay healthy until we meet again in the next issue.

रोटरीच्या स्थापनकर्त्याला एक श्रद्धांजली

27 जानेवारी 1947

19 एप्रिल 1868 ते 27 जानेवारी 1947

1947 हे सर्व भारतीयांसाठी अविस्मरणीय वर्ष आहे कारण यावर्षी आपल्याला स्वातंत्र्य मिळाले. त्याचप्रमाणे 26 जानेवारी हा देखील सर्व भारतीयांसाठी अत्यंत महत्त्वाचा दिवस आहे कारण या दिवशी भारतीय घटना अस्तित्वात आली.

जगातील सर्व रोटेरियन्स करता 27 जानेवारी 1947 हा दिवस तसाच महत्त्वाचा आहे. या दिवशी रोटरीचे संस्थापक पोल हॅरीस यांचे वयाच्या 78 व्या वर्षी निधन झाले. शिकागो येथील माऊंट होप या ख्रिश्चनांच्या दफनभूमीत त्यांचे अंत्यसंस्कार झाले.

त्यांनी त्यांच्या तीन मित्रांबरोबर 1905 साली स्थापित केलेल्या रोटरी क्लब या संस्थेचे त्यांच्या मृत्यूसमयी एका प्रचंड वटवृक्षात रुपांतर झाले होते. त्यावेळेस, जवळपास दोन लाख सदस्य संख्या असलेले रोटरी क्लब सुमारे 75 देशांमध्ये आपले सामाजिक कार्य करत होते. अर्थात त्यानंतर सध्या आजच्या घडीला, अंदाजे 14 लाख सदस्य संख्या असलेली रोटरी इंटरनॅशनल ही संस्था जगातील जवळपास प्रत्येक देशात काम करत आहे. सहवास आणि मैत्री या दोन मुख्य कारणांकरता सुरु झालेला रोटरीचा प्रवास आज बऱ्याच दिशांना जोमाने सुरु आहे.

आपल्या सर्वांना आश्चर्य वाटेल की रोटरीचे सगळ्यात पहिले सामाजिक कार्य म्हणजे शिकागो शहरामध्ये लोकांकरता बांधलेली स्वच्छतागृहे. हे देखील तेव्हा घडले जेव्हा पॉल हॅरीस हे शिकागो रोटरी क्लबचे तिसरे अध्यक्ष होते. यानंतर रोटरीने कधीच मागे वळून बघितले नाही. रोटरी इंटरनॅशनल च्या कामात बरीच सुधारणा होत असते व ज्याप्रमाणे जग बदलत चालले आहे, लोकांच्या गरजा बदलत चालल्या आहेत त्याप्रमाणे रोटरी देखील ज्या ज्या गोष्टी ज्या ज्या देशात आवश्यक आहे त्या त्या गोष्टी करण्याकरता नेहमीच पुढाकार घेत असते. एवढ्या वर्षांनंतर आता रोटरी दरवर्षी अब्जावधी रुपयांची कामे लोकांच्या कल्याणाकरता व त्यांच्या आर्थिक उत्थाना करता व ज्या ठिकाणी नैसर्गिक उत्पात घडतात त्या ठिकाणच्या लोकांना मदत करण्याकरता खर्च करत असते.

अशा या रोटरी नामक प्रचंड वाढलेल्या वटवृक्षाची ज्यांनी लागवड केली त्या पोल हॅरीस यांच्या पुण्यतिथी ला आपण त्यांच्याकरता नमन करू.

एक रोटरी सदस्य.
