## From the Editor's Desk

One of Rotary's greatest strengths is the ability of our members to come together to create lasting change. Rotary helps transform dreams of change into reality. Rotary's impact is felt across the globe and it's your commitment that makes it possible. From eradicating polio to saving children from congenital heart diseases to giving sight to the blind, much of the work we do would not be possible without the members' continued support.....so give till it hurts!!

Friends, true abundance lies in not we keep with us but in what we give. Like the 'Akshay Patra' that never emptied, a heart that gives selflessly is always full. May your generosity ripple outwards - nourishing lives, kindling hope and returning to you thousandfold in grace and joy.

Midtowners are witnessing a growth in membership because by doing more projects, getting more visibility and public image, you attract more Rotarians. We have to plan and move forward with commitment, targets and engagement. So continue to build a better image....a rejuvenated image, an image of people in action, purpose and projects. Let us move relentlessly to serve, uplift and inspire !!

Thank you!

## President's Message

Dear Members,

I am extremely delighted to bring you the completion of the third quarter of the Vibrant Rotary Year 2024-2025 and present the fourth edition of the Rotary Club of Bombay Mid-Town Bulletin. In line with the international theme of the year, The Magic of Rotary, we have created some truly magical moments through our projects, programs, and fellowships. This is an opportune moment to reflect on some impactful initiatives that embody the spirit of Service Above Self.

### Highlights of Our Projects

**Plastic Surgery Jalna** - Our ongoing flagship project, Plastic Surgery at Jalna, was once again a tremendous success. We are immensely grateful to the German Medical Team, consisting of 15 dedicated professionals, who, along with Dr. Anil Tibrewala, operated on 126 patients with deformities. This project would not have been possible without the tireless efforts and resources of Senior Rotarian Rajendra Barwale; our heartfelt thanks to him for his unwavering support. Special recognition also goes to our office bearers, Mr. Mahadeo Parab and Mr. Anil Jadhav, for their commitment, and to Gulabchand Foundation for their invaluable contributions.

**EyeHope** - Through our collaborative efforts, we successfully provided an Ophthalmic Operating Machine to Lokmanya Tilak Municipal Hospital, valued at Rs. 1.1 crore. This was made possible through a Global Grant and the past endowment fund established by the Barwale family, along with contributions from our Club. We extend our gratitude to the Barwale family and all members for their generous support in enhancing the vision of many underprivileged individuals visiting this hospital.

**Little Heart** - Little Heart project continues to shine as a beacon of hope for children suffering from congenital heart diseases. We have facilitated surgical interventions and post-operative care for 36 children, contributing Rs. 54 lakhs to the Sri Sathya Sai Sanjeevani Hospital in Kharghar. Our sincere gratitude goes to Rtn Gita Parikh of PPFAS, Mr. Sawant of Centaur Pharma, and Rtn Rohit Patel for their generous contributions. We also thank Rtn Anil Ambo and Rtn GS Kasbekar for their invaluable time and talent.

**E-Learning** - Our commitment to enhancing educational opportunities through the e-learning initiative has successfully bridged the gaps in access

to quality education. By providing digital resources and training to students and educators in BMC Schools, we are empowering the next generation with essential skills for the modern world. Heartfelt thanks to Rtn Rajesh Sharma of Ion Exchange, Rtn Rohit Patel, and Rtn Gita Parikh for their support, as well as Rtn Ashwin Shah and his e-Learning team for their immense efforts.

**Vocational Training** - Our vocational training programs continue to uplift communities by fostering skills development. By offering training in various trades, we empower individuals to become self-sufficient and enhance their economic prospects. Thank you to PP Navin Shah, PP Akhil Sahani, Rtn Bernhard Steinruecke, and many others for their support.

**Early Detection of Breast Cancer** - The awareness campaign regarding early detection of breast cancer has achieved significant progress. Through workshops and health camps in a village in Alibaug, we have educated women about the importance of self-examinations and regular screenings. Our gratitude goes to Dr. Svetlana Toshniwal for spearheading this initiative, and to Rtn Jigisha Parikh for her continued support.

In addition, we conducted several projects, including a Medical Camp in collaboration with Saifee Hospital and Eye Dentify with Lotus Eye Hospital. Thank you to Rtn Arun Jatia, Rtn Vaibhav Sanghi, PP Abuzar Zakir, Rtn Rajeev Thakkar Rtn Manoj Jalan for their contributions to various projects.

**Fellowship and Awards** - The organizing committee for the Legends Lifetime Achievement Awards, led by PP Atul Premnarayan, PP Anil Kamath, PP Rahul Mehta, Rtn Sunil Gautam, and Rtn Sonal Chandalia, did an exceptional job. Congratulations to our awardees: PP Navin Shah, PP Tilak Mehta, Rtn Kamlesh Sonawala, PP Dr. Firoze Mirza, PP Mohan Lalwani, and Rtn Munna Mitha. Your dedication and contributions have illuminated our club. We also had two exciting fellowship outings! Thanks to Rtn Rajendra Mane, Rtn Suneel Gautam and R/Ann Purnima Kapadia for their initiative to make the trip memorable and gratitude to PP Navin Shah and Rtn Rohit Patel for their generosity to get us all high in the evenings. Both trips offered unique experiences and fostered camaraderie among members.

**Membership Update** - Our Membership

Committee, led by PP Vicky Punjabi, is actively working to bring exceptional individuals into our club. We are delighted to welcome our two newest members: Rtn Pallavi Kanchan and Rtn Sandeep Anand. Their wealth of experience and knowledge will undoubtedly strengthen our club's mission and efforts.

**Looking Ahead** - The next two months promise to be equally thrilling! We have several exciting projects and programs lined up, including: Club Award Function on May 28, 2025, at Marine Plaza, Mumbai and Installation Ceremony for our incoming President, Dr. Svetlana Toshniwal, on June 22, 2025, at Taj Mahal Hotel, Mumbai.

# "Big Hearts save Little Hearts"

- Rtn Anil Ambo

**L**ittle Hearts Project - It is a soul satisfying experience for our club to keep this as an ongoing project. Earlier we were subsidising the surgeries in a hospital where the patient's family had to contribute around 25 % of the expense.

But then 3 years back the scenario changed. Our club tied up with Sri Sathya Sai Health and Education Trust, Navi Mumbai. This Trust has 3 hospitals and has added a fourth one in Hyderabad.

What is unique about this hospital is that here there is no Billing Counter. The patients and their families are treated with tender care and they don't have to pay a single rupee for the treatment and stay at the hospital.

We are indeed indebted to PPFAS and Rtn Geeta

Parikh for sponsoring this project year after year on a big scale. We are also grateful to Centaur Pharma for their continued support to this project for the last 3 years. All this has been possible due to Rotary International providing us a simplified route of using Corporates' CSR funds for this noble project.

On 12 April 2025, like every year, President Jagar Thakur, Geeta Parikh, Shobha Sapat, Suruchi Chand, Anupam Chaturvedi, Nazneen, Anil Ambo, Deepak Mehta, Nazneen Jamsheed Patel, M. A. Parab and Anil Jadhav visited the hospital at Kharghar and handed over the cheques of Rs 55 lakhs.

The star of the project Dr Arvind Kasbekar was missed..... he could not join as he was incapacitated.

## Northeast trip

# Two Steps.. Towards The Seven Sisters

- Rtn. Sucharita Hegde

This much anticipated trip with 44 members started early on Thursday, 20th March 2025, from Sahar Airport, Terminal 2, to Guwahati in our endeavour to explore the Two N-E States of Assam and Meghalaya.

Arriving in time in our convoy of 12 Toyota Innovas, for lunch at the Novotel, we were welcomed by a graceful Bihu dance performance. We then set out for the Kamakhya temple, where Rajendra and Sheela Mane had organised for an escorted entry, which was very soul-satisfying.... interspersed with several photo

sessions recording the ambiance and the camaraderie for future recollection.

We got an early start on Day 2 to visit the famed Kazhiranga and Pobitora sanctuaries in two groups as per respective preferences. The Rhinos and elephants did not disappoint and showed themselves all through. Two vehicles in the Kazhiranga gang also had a 'moment' when a Rhino came charging towards them... narrowly escaping, but creating enough excitement for the rest of the evening. The lucky four comprising of

Sunil G, Arti, Geeta P, and Madhavi, who were all in one Jungle Gypsy vehicle, caught a glimpse of a tiger, which Sunil tried to capture on camera.

En route, we stopped at the Botanical Gardens, which showcased 96 varieties of orchids whose fragrance was as intoxicating as the beautiful Mekla wearing lady guides. The museum exhibits of the local musical instruments and their lifestyle equipment were also worthy highlights.

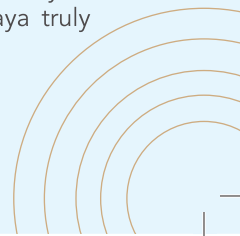

On Day 3, our group was initiated to the famed tea making process at the Amchong Tea Estate, where we were hosted for lunch as well.

We proceeded for the Alfresco Grand Sunset Cruise on the mighty Brahmaputra River known for its legendary association with our cultural texts. The experience was enhanced with live music that got everyone shaking a leg.

Sunday 23rd March saw us moving to the Taj Vivanta at Shillong, Meghalaya. On the way, we stopped over at the Umiam lake where the view could match any of the worlds most picturesque sights. Meghalaya truly

qualifies as the 'Scotland of the East'; enveloped by its gardens, parks, forests with cascading waterfalls enjoying exemplary weather .... earning it, deservedly, the description of being the most pristine and unspoilt destinations in the country.

We experienced a drop in temperature as the city even displayed a sample of its milder rains.

Day 5 saw us heading towards Cherrapunji where we lunched at the Polo Orchid Resort and some of us then visited and walked/crawled/twisted through the Mawsmai cave with its natural fossils and stalagmites dating centuries; where we were tested for our fitness and flexibility; thankfully well aided by our nimble footed and agile guide, Utpal... and Simit and Jagar's direction and encouragement.

Our next stopover was the NohKaLikai waterfalls, where we were treated to a breathtaking visual of the verdant mountains and the blue lagoon at the base of the waterfalls, set in the evening Sun's magical brilliance.

Spurred by the joyous experiences of the earlier few days, on Day 6 we excitedly left for Mawphlang Sacred Forest which is home to a diverse range of flora, fauna and the sacred pine tree which is symbolic of the forest's spiritual significance as considered by the local Khasi tribe. We were taken on an enchanting stroll where we learnt about their beliefs and the rituals performed here ... and the different aspects of the Rudraksh seeds.

Lunch at the Marriott hotel followed by a leisurely evening at our hotel with Spa indulgences, cocktails, music, and dinner.

Btw .. every evening, we sang our voices hoarse .. and danced our shoes/slippers out .. taking over the dining areas quite completely.

Day 7 concluded our dream-like vacation and after a lunch at the Novotel we caught the flight back

to Amchi Mumbai; replete with the recently built happy memories of a meticulously organised fun -filled trip to a hitherto unexplored, but integral part of our country.

We made some noteworthy discoveries of each other too, in the interim - Mukesh (Shah) can dance ... and how !!! Suresh (Purohit) can sing, Malti has matchless

enthusiasm .. and about the excellent cameramanship of Rajendra (with his unique selfie stick/tripod) while wearing coordinated coloured attire with Sheela each day!!! Anil (Ambo), Sunil (Agarwal), and Suresh kept the group in splits with their ready wit;

Zeenat and Anupam engaged in a marathon bantering debate on various unrelated topics .. and guess who outargued and won ... at the end of 7 days (???) .... of sharing a car, ... with Jigna thoroughly enjoying the nonstop entertainment it provided !!

Rotarians can tuck in, even between heavy meals .. with home cooked delicacies carefully packed and imported from Bombay ... with chai any time and .. they have an obsessive penchant for clicking photographs to record every moment (to present to our remaining members, who stayed back in Bombay).

The generosity of heart of Navin and Geeta Shah, who celebrated their 57th anniversary on the trip... and likewise Rohit and Neeta Patel, who celebrated the latter's birthday with unlimited alcohol for all present (on 23rd and 25th respectively).

There are no adequate words to express the collective gratitude of the entire group to First Lady Simit and President Jagar Thakur, both of who quietly worked the whole trip through in uncharted territory to make for such a seamlessly enjoyable experience for the rest of us.

Thank you, Simit and Jagar .. on behalf of the 41 others, too.

Looking forward to the next one.....
