R I President's Message

Subject : A solid foundation

One of the Rotary's greatest strength is to create The Rotary Foundation to transform dreams of changes into the reality.

Building peace in the universe can also be achieved

by solid TRF. Thanks to a \$15.5 million gift from Otto Foundation, we can built a next Rotary Peace Centre in University of Istanbul.The magic of Rotary can be seen and achieved by every dollar donated to the foundation.

Please join me in supporting TRF and together change the world for better.
