***“Death is nothing at all” by Henry Scott-Holland***

Death is nothing at all. It does not count.
I have only slipped away into the next room.
Nothing has happened.

Everything remains exactly as it was.
I am I, and you are you, and the old life
that we lived so fondly together is
untouched, unchanged. Whatever we
were to each other, that we are still.

Call me by the old familiar name.
Speak of me in the easy way which you
always used. Put no difference into your
tone. Wear no forced air of solemnity or
sorrow.

Laugh as we always laughed at the little
jokes that we enjoyed together. Play,
smile, think of me, pray for me.

Let my name be ever the household word that
it always was. Let it be spoken without an
effort, without the ghost of a shadow upon it.

Life means all that it ever meant.
It is the same as it ever was.
There is absolute and unbroken continuity.
What is this death but a negligible accident?

Why should I be out of mind because I am out
of sight? I am but waiting for you, for an
interval, somewhere very near, just round the
corner.

All is well. Nothing is hurt; nothing is lost.
One brief moment and all will be as it was
before. How we shall laugh at the trouble
of parting when we meet again!

Chess Training and Achievements of Govt School Students

Rotary Mettupalayam initiated free chess coaching for students of Mettupalayam Government Higher Secondary School and Mettupalayam Municipal Girls Higher Secondary School.

We are proud to announce that our students participated in the Zonal Level Chess Competition held on 01.02.2026. One of the students from Mettupalayam Government Higher Secondary School secured 1st place at the zonal level.

He will now advance to represent us at the District Level Competition. C3 Academy will be supporting and accompanying him for the next stage.

Food Safety Awareness Program and A Book Release project about Consumer Protection Compiled by Our Club Rtn. Suresh Ananthakrishnan

Rotary Mettupalayam participated in a dual program organized by the Mettupalayam Consumer Protection Organization. 10th February 2026.

Part 1

A Food Safety Awareness program was conducted by the District Designated Officer Dr. Anuradha, for students of R V College of Arts and Sciences, Karamadai.

The presentation and demo of various adulterations in food items were clearly explained by the speaker and were appreciated by students.

Part 2

A "Book of Awareness on Procedures for Consumer Protection" was released at the event. The book was compiled by our Club member, Rtn. Suresh Ananthakrishnan, who is also a member of the Mettupalayam Consumer Protection Organization.

The book explains more than 50 government and financial related matters that a family has to address when a family member passes away. This will be very useful for families who are not very knowledgeable in these areas, or are too stressed to think about this at a difficult time.

The book was dedicated to the public by Dr. Anuradha, representing the Coimbatore District Collector Mr. Pavan Kumar Giriyanavar who could not attend this scheduled event as he was called away on an urgent matter.

Rotary Mettupalayam was honoured at the event for the financial support of Rs. 10,000 provided in printing and publishing the booklet. Rotary Mettupalayam Crematorium Trust (Shanthivanam) was also recognized on this occasion.

Eight other NGOs from our region, including four Rotary Clubs, were also recognized for similar contributions.

10,000 copies have been printed and will be distributed on a need basis at various crematoriums, burial grounds etc. so that the booklet reaches the right audience at the right time and right place.
