President-Elect, Rtn. Sanjay Shankla, has been honored as the Warrior of the Month for January 2026 by Rotary District 3203

Warrior of the Month: The Man Behind “The Man with the Book”

We proudly recognise Rtn. Sanjay Shankla of RC Mettupalayam, District Directory Chair and valued GML Editorial Team member, for his meticulous documentation of District 3203’s service journey. His comprehensive project books capture our ongoing 2025–26 CSR and Global Grant initiatives through clubs and trusts, while preserving the legacy of past accomplishments.

During official visits, District Governor Rtn. AKS B. Dhanasekar shared these curated compilations, enabling Rotarians grasp the larger picture of district-wide service. For many, this was the first time they truly understood the breadth and depth of impactful projects beyond their own clubs, earning unanimous appreciation.

Beyond Rotary, these books, highlighting our ongoing, sustainable, and bold signature initiatives, have strengthened Rotary’s public image and credibility, serving as powerful tools for collaboration and support from CSR corporates, government bodies, and individual partners.

At the 2025 International Assembly in Orlando, our Governor showcased them to highlight past achievements and inspire future initiatives. Impressed by District 3203’s body of work, fellow DGEs from around the world took copies to replicate the idea in their own districts, fondly dubbing our Governor the “Man with the Book.”

Multi speciality Medical Camp Remembering Late Rtn. Dr. N. S. Hariharan.

It was a day to remember at SGK Hospital, Mettupalayam, where compassion met care on the death anniversary of the beloved Founder of SGK Hospital and Past President of the Rotary Club Mettupalayam, Late Rtn.Dr.N.S.Hariharan.

He lived by the words: "Service to the poor is service to God." To honor his inspiring legacy, organized a medical camp for the needy, inaugurated by the well-known philanthropist Rtn.AKS. NSV.Arumugam of Rotary Mettupalayam.

The spirit of service filled the air as over 200 patients received free medical evaluation and treatment.

The camp included a wide range of the following free investigations: Blood sugar and blood pressure screening ECG Echocardiogram Liver fibroscan Eye check-up Diabetic foot assessment Bone density Lung function tests. Heartfelt thanks to the dedicated medical partners—Eye Foundation for eye screenings and Abirami Hospital for cardiac evaluations. After comprehensive assessments, every patient received personalized counseling and free medicines.

The total value of free investigations and medicines exceeded Rs. 1,500,000, reflecting the true spirit of service envisioned by Late Rtn.Dr.N.S.Hariharan.

The Rotary Club of Mettupalayam appreciates our club member, Rtn.Dr.Vijayagiri—son-in-law of Late Rtn. Dr. N. S. Hariharan—for his humble tribute to a great soul.

It was indeed a heartwarming day filled with humanity, gratitude, and fulfillment.
