CLUB DIARY - 13 NOVEMBER, 2025 CHILDREN'S DAY CELEBRATION – A FUN-FILLED EVENING OF JOY & TOGETHERNESS

Our Children's Day celebrations brought pure cheer to the club, beginning with the official proceedings conducted by President Rtn. Vinod Aranha, Secretary Rtn. Dr. Kunal, Ann's Club President Ann Preethi Mallya, and Ann Mona Shahri. Club updates were shared, and Preethi added a lively touch with a quick children's quiz. The reins were then handed over to the Fellowship Chairman, Rtn. Deepali Nayak, who introduced our dynamic young MC Ann Iyra Jeedhu. With ease and enthusiasm, she set the perfect tempo for the evening.

We honoured our young achievers, and soon after, the Fancy Fete was declared open. A series of engaging table games kept both children and adults thoroughly entertained. Kids played freely, while adults joined in with surprising excitement — proving once again that fun has no age limit! A heartfelt thanks to all the Ann's and youngsters who helped run the game counters so smoothly.

A special highlight of the evening was the presence of Riya Foundation. Their children attended and enjoyed the festivities, and they also set up stalls with handmade items for purchase. As part of our ongoing commitment to community service, Rotary Club of Mangalore pledged ₹15,000 in support of the foundation's inspiring work.

The stage came alive with wonderful performances by our talented youngsters — John Shivansh opened with an energetic Pili dance, followed by Annet Kimberly who grooved to Cheap Thrills, and Annet Poorvi Pai who captivated the audience with her fusion performance. Lively spot games by our MC kept the momentum going throughout.

Each child received a personalised journalling book designed by Annet Anya Aranha, adding a thoughtful touch to the celebration.

The evening concluded with a delightful dinner spread and a cheerful round of balloon-bursting, leaving everyone — young and old — reliving the joy of childhood. A truly heartwarming celebration of fellowship, inclusivity, and youthful spirit.

A CENTURY OF BAKING EXCELLENCE: CELEBRATING 100 YEARS OF CITY BAKERY

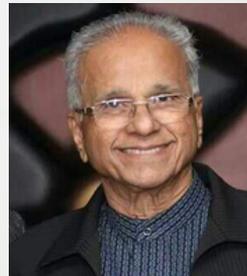

One hundred years ago, a remarkable baking legacy took root — a legacy built on quality, consistency, and the unmistakable taste that generations in our region have grown up with. Today, as City Bakery steps proudly into its second century, it does so with a refreshed new look while holding firmly to its timeless promise of great taste and dependable quality.

Every newly packaged product released this year is more than just bakery goodness — it is a tribute to the journey that began a century ago and to the countless customers who have supported the brand through changing times. From humble beginnings to a household name, City Bakery's journey is one of dedication, craftsmanship, and deep community roots.

The Rotary Club of Mangalore proudly acknowledges and appreciates the stewardship of this enduring legacy by **Mr M. R. Prabhu and his son Rtn Prakash Prabhu**, who continue to uphold the values and standards that have defined City Bakery for generations.

As they lead the brand into its next century, we extend our warm congratulations and heartfelt appreciation.

Happy 100 years to City Bakery — and to you, the City Bakery family!
