PRESIDENT’S MESSAGE

Seven years ago my journey with Rotary, started with Rotary club of Mangalore. When I joined the club I had very little idea about Rotary except that it is a service oriented organization. Today I feel proud that I am a member of the Rotary Club of Mangalore and having an opportunity to serve as the President of the club for the year 2020-21. With a galaxy of past presidents with enormous wealth of knowledge and active participation from the members of the club for the past 70 glorious years, the club has carved a name for itself in the society in rendering yeomen service to the needy, adhering to Rotary values and imparting the same to others.

For members of the Rotary Club of Mangalore, the installation ceremony is always one of the major event of the Rotary year and surely it is celebrated will all the grandeur it deserves. However this year due to the pandemic knocking at our door, we need to be cautious. Probably for the first time in the history of the club the physical meet and installation ceremony has to be cancelled. However Rotarians are known for innovations and the club has rightly decided to hold the installation through an

e-meeting on zoom. The board and the members of the club have an enormous social responsibility to ensure that the club members, their families, friends and others, remain safe and the unintended exposure to the virus is avoided.

Thank you Rotarians for making me feel comfortable to accept the responsibility of leading this club for the year 2020-21. With your support, guidance and blessing, we the RCM team elected by you, will strive to uphold the name and values of Rotary i.e. fellowship, Integrity, honesty and service to the best of our ability. I congratulate and thank my fellow board members for volunteering to be part of this team. I want to thank Immediate past president Rtn. Jatin Attavar for his leadership for the past Rotary year and I am glad that he continues to be a member of our board for another year

The Rotary theme this year “Rotary Opens Opportunities” could not have been released at a better time. I am sure in this challenging year, with your support, our club will identify new opportunities to serve, without getting distracted in achieving its set targets.

EDITORIAL

It is indeed an honour to be the bulletin editor of our prestigious club. As it is my first time donning the role of an editor of a bulletin, I would like to thank our President Rtn. Archibald Menezes for placing his trust and confidence in me to carry out the responsibilities this year.

It has been a constant endeavour of all previous editors to bring relevant information about Rotary to its members and we will continue to do so. I have a team of stalwarts who are Past Presidents and former Editors to help and guide me in this task.

This year we intend to bring out an e-bulletin until we continue to have online meetings, and revert to our traditional printed version once we start our regular meetings. Please feel free to send articles, which you may find interesting to share with your fellow members.

OUTGOING PRESIDENT'S MESSAGE

The time has come for my final remarks as the President of this great Club. It has been a Fun filled, Action packed, and richly rewarding year. As I read the bulletins of the year gone by to reminisce over all the highlights, There were many, and they brought back fond memories of all the good work we have done. We have made a difference in the lives of many people this year by putting 'Service above Self' in everything we do. The last few months have been challenging and I hope we have done justice despite all the hurdles before us.

I Thank the members of Rotary Club of Mangalore for the support and encouragement they have given me over the past year and for giving me the opportunity to lead this great club. I thoroughly enjoyed my time as the President and I wish the incoming President Rtn.Archibald Menezes and his team great success.

Club Diary – 25.06.2020 Business Meeting – Thanksgiving

First meeting at Moti Mahal post lock down was held on 25th June 2020. About 40 Rotarians attended this meeting. Adequate distancing of seating and sanitizers were provided. The sumptuous high tea was enjoyed by all after a long time. Members took to greeting each other with a namaste rather than hand shake. But for some, "old habits....". The Thanksgiving business meet was begun by invocation by Rtn Vinod DSouza. A minutes silence was observed as a mark of respect to condole the demise of mothers of Rtn. Devraj Fernandes and Rtn. Shashidhar Pai. After the usual greetings to the weeks birthday boys and those who celebrated wedding anniversaries, hundred percenters in attendance were honoured by President Jathin, as President elect Rtn. Archibald called out the names. Secretary Rtn. Dr. Pramod Kumar read out the excerpts of the annual report as all members had received a copy each of the
