ShelterBox recognizes Rotary with Global Humanitarian Service Award

ShelterBox awarded Rotary International with its first Global Humanitarian Service Award, in recognition of Rotary’s outstanding partnership throughout the years during its 20th anniversary virtual event on 12 November.

Founded in 2000 by a Rotary member in the United Kingdom, ShelterBox provides emergency shelter and essential supplies to help communities through their toughest times. ShelterBox and Rotary officially became project partners in disaster relief in 2012.

Rotary has been instrumental in ShelterBox’s growth, helping to transform ShelterBox into an internationally recognized disaster relief charity. The mutual benefits are enormous. ShelterBox receives networking, logistical and financial support from Rotary and, equally, acts as a catalyst in encouraging people all over the world to become involved with their local Rotary club.

ShelterBox CEO Sanj Srikanthan presented the award to Rotary International General Secretary and CEO John Hewko at the virtual event.

“It is with great pride that we celebrate our longest standing partner and the cornerstone upon which ShelterBox is built,” said Srikanthan.

“Rotary is truly in the DNA of everything we do.”

The two organizations have helped over 1.6 million people in 100 countries. More recently, the partnership has delivered lifesaving shelter and aid to families, protecting them from the threat of coronavirus.

“This award is for every Rotary member in the world who has ever enabled this life-saving work,” said Hewko. “Together, we should take great pride in this achievement of supporting families recovering from disaster and conflict around the world.”

THE SPONSOR OF A NEW MEMBER

The bylaws of Rotary clearly outline the procedure for a prospective member to be proposed for Rotary club membership. The “proposer” is the key person in the growth and advancement of Rotary. Without a sponsor, an individual will never have the opportunity to become a Rotarian.

The task of the proposer should not end merely by submitting a name to the club secretary or membership committee. Rotary has not established formal responsibilities for proposers or sponsors, however, by custom

and tradition these procedures are recommended in many clubs. The sponsor should:

1. Invite a prospective member to several meetings prior to proposing the individual for membership.
2. Accompany the prospective new member to one or more orientation/informational meetings.
3. Introduce the new member to other club members each week for the first month.
4. Invite the new member to accompany the sponsor to neighboring clubs for the first make-up meeting to learn the process and observe the spirit of fellowship.
5. Ask the new member and spouse to accompany the sponsor to the club's social activities, dinners or other special occasions.
6. Urge the new member and spouse to attend the district conference with the sponsor.
7. Serve as a special friend to assure that the new member becomes an active Rotarian.

When the proposer follows these guidelines, Rotary becomes stronger with each new member.
