47 units of blood was collected. The winners of Ramnarayan Chellaram Rotoquiz competition, Mr. Pradhyumna Upadhaya and Mr. Sahaj Alva of Expert P.U College were with us that evening. They received their winners trophy from our president Rtn. Archibald Menezes.

The chief guest of the evening was our very own member Rtn. PP. Dr. Narendra Kamath. He spoke on “Skin Diseases – Everybody’s Domain”. He started his talk by saying that many people have a love to look nice and to have a perfect skin whatever be the

age. This is the reason why they apply various creams without consulting a dermatologist. Some of these creams contains harmful chemicals which may damage the skin leading to various skin problems at a later stage. He strongly advised us not to take medication prescribed by masquerading dermatology experts such as pharmacists, barbers & beauty parlour personnel, media, faith healers and also from Google searches and WhatsApp forwards. With a detailed slide show presentation he showed the various side effects of medicines prescribed by masquerading dermatology experts. He then spoke on how they counsel their patients and navigate through the crisis. President Rtn. Archibald thanked Rtn. Dr. Narendra Kamath for the informative talk and adjourned the meeting followed by the National Anthem.
