ROTARY INTERNATIONAL NEWS

Donors to The Rotary Foundation celebrated some big achievements in fundraising in the past year, showing their support for the wide array of programs the organization sponsors all over the world.

A multiyear campaign to increase the Endowment to US\$2.025 billion by 2025 exceeded its goal by US\$25 million. In 2024-25 alone, members and others contributed more than half a billion dollars to the Foundation.

"The goal was an inspiration, but the objective was to do good in the world," says Mark Daniel Maloney, the 2024-25 Rotary Foundation trustee chair. "We are making sure that Rotary will always be able to carry out that mission."

The Foundation raised more than US\$569 million in 2024-25 alone, exceeding its annual goal by almost US\$70 million. More than 478,000 individuals donated, along with over 31,000 Rotary clubs and nearly 1,900 Rotaract clubs.

Thanks to its donors, the Foundation was able to award 1,424 global grants, 468 district grants, and 74 disaster response grants in the past year. A US\$2 million Programs of Scale grant will help build peace and economic independence in Colombia. Rotary International also extended its long-standing partnership with the Gates Foundation, announcing a joint commitment of up to US\$450 million over three years to support global polio eradication efforts.

"Rotary members demonstrated their commitment to these efforts with their support of the 2.025 by 2025 campaign," Maloney says. In particular, he notes the large number of fundraising events around the world that Rotary's district governors organized.

"I am just amazed at the generosity of Rotary members," he says. "They came together to make it happen."

Article Service above self :

Service above self

It's a simple yet powerful concept that can make a huge difference in the world. When we prioritize serving others, we're not just helping them – we're also enriching our own lives.

What does it mean to put service above self?

- It's about being selfless and thinking of others' needs before our own
- It's about being kind, empathetic, and compassionate towards everyone we meet
- It's about using our time, talents, and resources to make a positive impact

How can we practice service above self in our daily lives?

- Volunteer for a cause you're passionate about
- Help a friend or family member in need
- Simply be present and listen to someone who needs to be heard

The impact of service above self can be life-changing, not just for the people we're helping, but for ourselves too. It can give us a sense of purpose, boost our mood, and create a ripple effect of kindness in the world

What's your take on service above self? Have you experienced the power of selfless service?
