**About the Subject:** Rotary is fundamentally about fellowship, and all other activities are its by-products. This presentation shares the inspiring journey of a Rotarian who envisioned, planned, and successfully executed a unique Rotary fellowship by combining golf and charity. Through dedication, teamwork, and strong Rotary values, this initiative has grown into a global platform that promotes fellowship among Rotarians while supporting numerous community service projects and contributing significantly to The Rotary Foundation.

**About the Speaker:** Rtn. Parag Rasiklal Sheth is a member of the Rotary Club of Bharuch Narmada Nagari and joined Rotary in 1993. His first passion in Rotary was the Rotary Youth Exchange Programme, through which he has been instrumental in enabling more than 300 students to participate in international exchanges. During his tenure as District Governor, he also organised the innovative programme "Nostalgia."

Under his leadership, several charity golf tournaments and fellowship events have been organised across the world. He is the Founder Chair of the South Asian Fellowship of Golfing Rotarians (SAFGR) and currently represents Asia on the International Golfing Fellowship of Rotarians (IGFR) Board. Rtn. Parag strongly believes that The Rotary Foundation is our own foundation, and every Rotarian has a responsibility to strengthen it through wholehearted contributions. He is the highest contributor to The Rotary Foundation in District 3060, with personal donations of USD 700,000. He served as District Governor of District 3060 in 2015-16 and has recently been appointed as Lead Advisor. Area of Focus: Health (Major Gift Initiative) for the year 2026-27, a global assignment.
