## CLUB NEWS

AI is like electricity, it can light up your home or it may cause damage Difference is not the technology.. it's about how we use it Kudos and many congratulations to the young enterprising Shyamal Anadkat... he was simply brilliant... his content was worth pondering on... he explained the entire scenario in a very lucid way.. the cherry on cake was a AI generated song, highlighting RCRM and it's projects and huge contribution to society.. Thanks Shyamal..

A well spent Saturday night.. with Many Midtowners (18th April) at Smash Pickle ball club, Avadh.. Refreshments were indeed refreshing

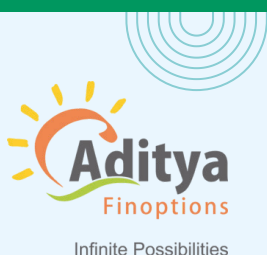

On Sunday, the 19th April 2026, D.P.M.C buzzed with female energy and enthusiasm as there were 130+ participants. A zeal that has compounded over the years...Third time in a row our very own Rtn. Dr. Miloni Lakhani (Pediatric Dentist) has organized an all Woman's Health Awareness event at RCRM along with the Dental Association for the Rotary Anns, dentists and women from all walks of life. Kudos to her for this Hatrick!!Expecting many more from her and her WDC team in the future!Special credits to Dr. Shaili Mody and Rajkot Menopause Society.

This time our first session- 'What She eats is What SHE is' included spectacular speakers like Dr. Rima Rao, Dr. Shaili Mody and Dr. Krupali Bhayani. They spoke on diet, calcium protein rich foods and easy ways of incorporating good nutrient foods in daily meals. The 'Tridevis' also did a lot of myth busting about common beliefs and practices related to food. The array of questions that followed, from the audience was a testament to an amazing session.

The second Bollywood wala presentation of 'The True soulmates-Bones and Muscles' had the starcast boasting of Dr. Ketan Thakkar, Dr. Devangi Vaishnav and Dr. Vishal Mangrolia. Their simplistic, humor filled and effective means of explaining the orthopaedic ailments to all made the session extremely captivating. The super creative bollywood snippets added the charm to the presentation.

From the learning to the laughing, from the captivating crowd to catchy presentation phrases, from the viral reels to the diet deals.. well everything made it a memorable event.

The super healthy and tasty food from TATVA provided the real food after the food for the brain.
