KNOW YOUR MEMBER (KYM)

Gajanan Medewar, PGDBM in Operations from Symbiosis College, Pune leads SPG Solutions, with over 25 years of experience in fire safety equipment and service support, He is NEBOSH, UK Certification in Health Safety and Environment (HSE). He is associated with Rotary from 9th May 2025. He likes to read about Equity market as well as like to make new friends, watch movie.

RTN. GAJANAN MEDEWAR

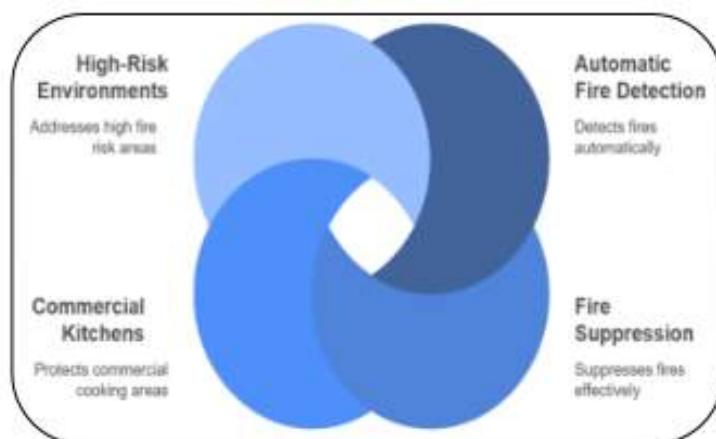

SPG Solutions is engaged in the consultancy services related to Fire Protection Systems, Supply, installation & Commissioning (SITC) of Clean Agent based Suppression Systems for electrical Panels, Kitchen Hood Fire Suppression Systems. It also conducts fire products training at customer site. It also supplies fire extinguishers, Fire Detection Systems and Fire Suppression Systems as per NBC 2016 and NFPA requirement. It offers services to many industrial sectors including paint, pharma, FMCG, Hospitality etc

Wet Chemical based Kitchen-hood Fire Suppression Systems

A Kitchen Hood Fire Suppression System is a specialized fire protection setup designed to automatically detect and suppress fires that occur in commercial kitchen cooking hoods and gas range, fryers etc

These systems are critical in hotels, restaurants, industrial canteens, and institutional kitchens where grease fires are a high risk.

Electrical Panel Suppression Systems

An Electrical Panel Suppression System is a localized fire suppression system designed to detect and extinguish fires directly inside electrical panels (such as LT/HT panels, MCC, VFD, control panels).

These systems are automatic, compact, and fast-acting, preventing electrical fires from spreading

WHY I'M ROTARIAN

I joined Rotary club of Thana West on invitation from Dr Vinayak Mahajan in 1984. Maybe seeing my work and involvement with mental hospital Thane during my college days and thereafter, he found me worthy of inviting to Rotary at the young age of 24. Thus I became a member of Rotary Club.

Transition from just being a Member of a Rotary Club to being The Rotarian is the wonderful journey to be experienced !!

For some it takes a lifetime for some it's easy. Imbibing the principle of The Service above self and adopting 4 way test in your day to day life is the makeover.

Maybe in this competitive world and unscrupulous surroundings not everything is lost. We can still make a choice. Because the results are inside. You serve to make someone's life easier. You groom yourself to be as much true to yourself as possible in implementing the 4 way test.

Then you start giving. As little as possible to TRF. Not just because you can afford but because it's needed. To elevate someone totally unknown to you. The habit of giving is addictive. More you give, more you get. Satisfaction and gratitude to Rotary for giving you the chance to serve.

We have plenty of things to give. Time, Knowledge, Money, Experience, Goodwill and much more. One platform to share the joys of life with deserving but underprivileged unknowns.

All this with the fellowship of other Rotarians. All above the equals but equal on the platform of Rotary. The creation of this bond that slowly develops into the extended family is something unique.

You belong to others. And so do they.

That's something that answers why I am a Rotarian.

Yours in Rotary,

Rtn PP Suchit Gadakari

FROM THE EDITORS DESK

A Grand Start to the TiTen Year: Unite for Good

AAs we step into the TiTen Year with renewed purpose and unity, the Rotary Club of Thana West has begun this fresh chapter with several proud milestones and impactful moments.

On 20th June 2025, the club completed 53 glorious years since its charter in 1972—a moment of pride that reflects the club's enduring legacy of service, leadership, and community contribution.

This legacy continued with the Installation Ceremony of our new President CA Rtn. Santosh Kadam. The event was a grand celebration attended by an esteemed lineup of dignitaries including PDG Dr. Ashes Ganguly, PDG Kailash Jethani, PDG Dr. Mohan Chandavarkar, PDG Rtn. Kumar Kewalramani, PDG Dr. Chandu Kolvekar, DG Rtn Harsh Makol, DGN Chandrahas Shetty, General Secretary Srijit Poothen, TRF Director Rtn Nilesh Likhite, District Advisor Rtn Satish Mane, GGR Rtn Medha Joshi, District Secretary Rtn Dr. Radhika Bhondave, AG Rtn Hemali Shah, Membership & CSR AIDE Rtn Devendra Tomar and many more.

During the ceremony, recognitions were conferred to PP Rtn Kedar Vidwans for achieving the Jaldi 5 Membership milestone and to President CA Rtn Santosh Kadam for his committed support to The Rotary Foundation (TRF).

Separately, the month also witnessed Rtn. Sriram Seshan being felicitated for multiple contributions: a Certificate of Completion for Environment Day activities, recognition as a Solar Hero for his sustainability efforts from Rotary International and on the personal front a 51 km cycling feat on International Yoga Day.

Adding to the intellectual contributions of the club, Rtn. Ajit Vora's article, '**Manufacturing and Exports are the Only Solutions to Increase India's GDP**,' featured in EXIM Magazine, highlighted Rotary's voice in national economic discourse

We also launched two engaging new columns in this bulletin edition:

- **Know Your Member (KYM) – spotlighting on the vocation of fellow Rotarians.**
- **Why I'm a Rotarian – personal insights that remind us why we serve**

This Special Columns will be continued in every Bulletin to get to know about the fellow members and to celebrating the spirit and stories behind our service. With history, leadership, and fresh initiatives all woven together, this is more than a start—it's a celebration of Rotary's enduring spirit. Together, these events mark a powerful Rotary journey of inclusion, recognition, and collective impact.

As the editor, I am proud to capture these meaningful moments and milestones as we embark on a year of purposeful service, camaraderie, and impactful leadership under the banner of TiTen – Unite for Good.

Yours in Rotary,

Manjiri Harshvardhan Surve
