## Editor Inked

*This journey as an Editor has been a quiet classroom of life—where learning unfolds every day, and yet reminds us that one can never truly stop learning. Through these pages, we have come to feel that service is the softest prayer—the kind that brings peace to the heart and restful sleep to the soul. In becoming an Editor, we unknowingly became a gentle bridge—carrying the Board's vision with clarity, and delivering it to our members with warmth and understanding. A bridge built not of words alone, but of trust, transparency, and shared purpose. Behind every initiative are hands that work silently, hearts that stay committed, and minds that carry responsibility with grace. Each such effort deserves applause, for it is these unseen pillars that turn thought into action and service into impact. This editorial journey continues—rooted in gratitude, guided by learning, and illuminated by service that quietly transforms lives, including our own.*

Their work and service was much appreciated with few poems and couplets.

There was also a welcome dance performance by President Couple, Secretary Couple and Treasurer and Joint Treasurer. Special gratitude to Shekhar Bhaiya and Rashi Bhabhi for their encouraging words, which added grace and glamour to the event. On this special occasion, our club proudly introduced three new members, who were formally inducted and pinned on Charter Day, strengthening our Rotary family. A sincere thank to all Rotarians and their spouses for your gracious presence and wholehearted participation, truly sailing us to heaven with your warmth, joy, and togetherness. The evening ended with a ceremonial cake cutting by all past presidents present.

~Rtn. Payal Agarwal

The Rotary Club successfully conducted a Joint Rotary Weekly Meeting (RWM) with Rotary Club of Calcutta Elite at Haldiram, marking a proud and meaningful milestone for both clubs. The meeting witnessed the official launch of Project Shakti, an ambitious initiative aimed at empowering 21,000 girls, reinforcing Rotary's commitment to education, health, and dignity for young women.

The program was launched in the esteemed presence of Rtn. Raghavan Sadagopan, District Governor Rtn. Ramendu Homchaudhuri, PRIP Rtn. Shekhar Mehta, and Chairperson Rtn. Pramila Dugar, whose guidance and encouragement added great significance to the occasion.

Heartfelt appreciation is extended to Kavita, Pradeep Bhaiya, Sanghamitra, and Suman Kedia for their invaluable support, coordination, and dedication, which ensured the seamless execution of the program. Special thanks to Payal for conducting the launch of Project Shakti with efficiency and poise.

We also express our sincere gratitude to Namrata from Annahat Foundation for delivering an insightful and impactful awareness session on Menstrual Hygiene Management (MHM), which added immense value and purpose to the initiative.

Our warm thanks to Rtn. Archana Bhotika and all members of Rotary Club of Calcutta Elite for their cooperation, excellent presentation, and for making the Joint RWM a resounding success.

Finally, we deeply appreciate the presence and support of all Rotarian members and spouses, whose participation made the event truly memorable and impactful.

## Georgia Trip

Rotary Club of Calcutta Mahanagar rolled out a Georgia adventure from 13th Dec. to 20th Dec. 2025. We were a buzzing squad of about 36 thrill-seekers and the whole experience was amazing! We touched down straight in Tbilisi and were swept into a meticulously planned, unforgettable journey.

First stop: the legendary sulphur baths – soaking in those steamy, aromatic pools was pure relaxation and felt like a rejuvenating hug for the soul. Next, we raced to Gudauri, the iconic ski resort

blanketed in sparkling snow. We shredded the slopes on scooters, zipping across and feeling the adrenaline surge.

Our adventure didn't stop there – we went to Dashbashi canyon, marveling at its rugged cliffs, and visited Martvili waterfall, letting its mist kiss our faces.

Finally, we went to Batumi, another jaw-dropping Georgian gem on the Black Sea coast, soaking up its vibrant nightlife, casinos and seaside charm.

In Batumi we also saw the Alphabet Tower and the alphanino statue and their merging.

The gala night was amazing. There were lovely dancers who danced on Georgian numbers and Hindi numbers too. The dances were like epic dramas and depicted ancient myths. Members also performed a wonderful finale with the dancers. My write-up will be incomplete if I don't mention the food.

We were treated like we were in a wedding and the Georgian food was an absolute feast. The khachapuri, lobiani (cheesy breads) and beetroot salad were the real show-stoppers, leaving us craving more with every spoonful. The wine tasting place in Batumi was also mind-blowing.

Our tour co-ordinator Rhea and Rohit Kapoor were too caring and made us feel at home. PP Rtn Ashok Agarwal and Rtn Shashi Agarwal really worked hard to organise everything and made us feel at home. We take this opportunity to thank them and the president Sanjay Bhalotia and his gracious better half Kavita.

...The whole trip was a roller-coaster of fun, culture, and unforgettable memories with the Rotary gang!

We're already counting down the days till our next adventure!

Our trip was a whirlwind of memories we'll treasure forever.
