## Editor Unked

*January unfolds like a sacred manuscript—blessed by Maa Saraswati, the eternal goddess of wisdom, reminding us that true strength begins with gyan, sanskaar, and clarity of thought.*

*It echoes with the fearless call of Netaji Subhas Chandra Bose, a legend of sacrifice whose courage still ignites patriotism beyond borders, teaching the world that freedom is born from conviction, discipline, and action.*

*As we celebrate Republic Day, we honour a nation built on unity, responsibility, and democratic values — a message that resonates deeply with our international Rotary family, where service rises above geography, culture, and language.*

*This January also reflects the heart of our club — active participation, meaningful service, shared laughter, and moments of togetherness through our picnic and fellowship, proving that service grows stronger when bonded with joy.*

## Projects

### Spreading Literacy, Restoring Dignity Rotary Calcutta Mahanagar's Statewide Impact in Correctional Homes

Rotary Calcutta Mahanagar has made a significant contribution to inclusive education by taking adult literacy to all 61 correctional homes across West Bengal. The initiative reflects Rotary's belief that time spent in correctional homes can become a period of learning, self-improvement, and dignity.

The program enables inmates to acquire basic reading, writing, and numeracy skills—helping them utilise their time meaningfully while preparing for reintegration into society. It is being implemented in collaboration with India Humanity Foundation (IHF), which has designed the learning content and material, conducts jail visits, implements the sessions, and monitors learner progress.

A key strength of the initiative is its peer-led learning model, where educated inmates are trained as inmate teachers and lead structured sessions for fellow inmates. To date, 239 inmate teachers have supported 3,616 inmate learners, exceeding the initial target of 3,000 beneficiaries.

The impact of the program was evident at the Malda District Correctional Home, where an Adult Literacy Orientation Program saw enthusiastic participation from 83 inmates, including 12 inmate teachers, in the presence of Controller Shri Bhupendra Nath Biswas, who appreciated Rotary Calcutta Mahanagar's efforts.

By spreading literacy across every correctional home in the state, Rotary Calcutta Mahanagar has demonstrated how education can restore dignity, instil hope, and transform lives—even behind prison walls.

## Annadaan Mahadaan

Annadan Mahadaan stands as one of the noblest humanitarian initiatives, reflecting Rotary's unwavering commitment to service above self. Seamlessly aligned with Rotary's service ethos, this initiative transforms collective effort into meaningful impact, spreading hope and humanity with every meal shared.

## Hygiene and Sanitation

Demonstrating its strong commitment to community health and sustainable development, Rotary Calcutta Mahanagar has actively undertaken the WASH project at Gangasagar Block in the Sundarbans & Canning of South 24 Pgs, benefiting 45 beneficiaries through focused training on Water, Sanitation and Hygiene. With a total project cost of USD 7,500, the initiative encompasses the construction of 45 toilets along with comprehensive training and awareness activities, reflecting the club's holistic approach toward long-term behavioral change. Implemented in collaboration with Rotary Club of Singapore and Rotary Club of Pokhara as international partner clubs, the project underscores Rotary Calcutta Mahanagar's keen interest in impactful, collaborative service initiatives that address critical needs and create sustainable outcomes.

*In contemporary Indian poetry, Kumar Vishwas holds a special place—where classical sensitivity blends seamlessly with the emotions of the common man. His verses echo the lived experiences of love, separation, forgiveness, and reunion, themes that are deeply rooted in our cultural ethos and resonate profoundly with the spirit of Holi.*

*Holi, one of India's most cherished festivals, reflects much of what Kumar Vishwas's poetry embodies. It is vibrant yet balanced, joyous yet thoughtful. Beyond the play of colours and celebration, Holi offers a sacred pause—a moment to shed emotional burdens, dissolve differences, and renew bonds without question or condition. In this quiet cleansing of the heart, the philosophy of the poet and the tradition of the festival come together.*

*Holi does not ask what was lost or who walked away, It only asks whether the heart is ready to begin again.*

*On this auspicious occasion, members are cordially invited, along with their families and friends, to join in the celebration of Holi—strengthening bonds of harmony and togetherness, and contributing to the collective joy that makes our festivals truly meaningful.*

The seamless organisation, comfortable facilities, and sumptuous food served throughout the day reflected their warmth and generosity, greatly enhancing the overall experience of the picnic.

Sincere appreciation was extended to the Club President for conceptualising and organising the picnic with careful planning and coordination, ensuring that the event was conducted smoothly and efficiently.

A variety of well-planned games and recreational activities added energy and excitement to the day. Special thanks were conveyed to Kavita Bhalotia, Ranjana Dhanuka, Shashi Agrawal and Mahinder Singhal for their dedicated efforts in planning, arranging and conducting the games, ensuring active participation and enjoyment for all members. Overall, the picnic stood as a wonderful example of Rotary fellowship, strengthening bonds among members and leaving everyone with fond memories of a truly enjoyable and well-organised outing.
