From President's Heart

Dear Rotarian Friends,

Rotary gives us the privilege to touch lives and build lasting bonds of fellowship. Every project we undertake is not just service—it is a testament to our compassion, our values, and our vision for a brighter tomorrow.

This Independence Day, let us celebrate not only our nation's freedom but also the pursuit of true freedom—freedom from ignorance, disease, and inequality. Through healthcare, education, skill development, and sustainability initiatives, we are working to create a society where every individual can live with dignity and hope.

As Rotarians, our greatest strength lies in unity. Each member contributes a unique talent, a fresh perspective, and a caring heart. Together, these collective efforts transform small steps into extraordinary milestones.

Let us also recognize that fellowship is the soul of Rotary. Beyond projects and numbers, it is the friendships we nurture and the trust we build that sustain our journey. When service is blended with fellowship, the impact is not only deeper but also everlasting.

A few lines to inspire our journey :

Service is the light that clears the way,

Hope is the dawn of a brighter day.

With hands united, hearts open wide,

Rotary walks with the world by its side.

Our vision this year is to set a benchmark of excellence—to reach “Super Se Upar.” It is an aspiration to dream big, act boldly, and serve selflessly, ensuring that Rotary continues to be a beacon of hope and change in society.

Let us move forward with passion in our hearts, service in our actions, and unity in our purpose. Together, there is no limit to what we can achieve.

Yours in Rotary,
Sanjay Bhalotia
President

RWM on 8th August at HHI

An Inspiring Freindship Day Gathering it was FROM BOARD GAMES TO BASE CAMP DREAMS

The recent Regular Weekly Meeting (RWM) of our club was held at Hotel Hindusthan International (HHI) and witnessed a vibrant participation of around 40 Rotarians and their spouses. The fellowship and energy in the room reflected the true spirit of Rotary. A unique highlight of the evening was an interactive board game session, curated and conducted by Rachita Agarwal from Checkmate. The session was not only engaging but also brought out the values of teamwork, strategy, and camaraderie among members, making it both entertaining and thought-provoking.

We were especially privileged to welcome a distinguished guest from the Rotary Club of Nagore, Rajasthan. An accomplished cyclist, he has already covered an astonishing 36,000 kilometers on cycle in his journey of spreading awareness and building connections. His mission is nothing short of remarkable – to complete 60,000 kilometers of cycling, culminating in an inspiring expedition to the Base Camp of Mount Everest by 2026. His dedication, endurance, and passion left everyone deeply motivated, reminding us of the limitless power of perseverance and purpose.

The meeting was a fine blend of fellowship, fun, and inspiration, leaving every attendee enriched with new experiences and renewed enthusiasm for Rotary's ideals of service and friendship.

Boynala Village Flag Hosting

On 15th August, at our adopted Boynala Village, the national flag was proudly hoisted by our Chief Guest, PRIP Shekhar Mehta, in the presence of enthusiastic members and villagers. The day marked not only the celebration of our nation's pride but also the launch of impactful community initiatives, including the Adult Literacy Programme, where 40 adults have already enrolled, a Mega Annadan benefitting 1,000 people, and the distribution of chocolates, biscuits, and Maggi masala to 500 beneficiaries. Under Project GST, 20 fruit-bearing trees were also planted, symbolizing sustainability and growth. The occasion was graced by the presence of Rtn Pradeep Agarwal, Sharad Agarwal, Mahesh Sonthalia, Manju Bhabhi, Kallol Ghosh, Sanghmitra, Biswajit Malakar, Sanjay Dugar, Shyam Modi, Lalit Agarwal, Yogesh Kanoi, Renu Modi, Mohit Jain, Aparna, and Kavita, whose participation and support made the celebration truly memorable and impact.

Umbrella Distribution at Chaitanya Library

At Chaitanya Library, Sanghamitra and Kallol Da lovingly distributed umbrellas, Bournvita, and biscuits, with umbrellas specially given to the needy for protection from rain and sun. Each set of 10 umbrellas cost Rs-1,000, and this thoughtful act was made possible by the generous contributions of our well-wishers. We extend heartfelt thanks to all who supported this cause, helping bring comfort and relief to many.

79th Independence Day Celebrations

The **79th Independence Day** was celebrated by our Club with pride and grandeur on 15th **Bhalotia** and **First Lady Kavita Bhalotia** performed gracefully to the patriotic song “Lehra Do”, As our tricolour soars high, it tells the story of a nation that refused to bow, that fought with courage, and Independence was not a gift — it was earned through sacrifice, struggle, and the unshakable spirit of our freedom stronger India every single day. Since 1947, India has risen from the shadows of colonial rule to stand tall among the world’s powers — from the Green Revolution to the digital age, India has come a long way in just over seven decades.

His words filled the hall with pride and emotion, perfectly setting the stage for the evening’s festivities.

EDITOR'S VISION

Rotary in India today stands at a remarkable juncture—expanding its footprint, embracing innovation, and touching lives in ways that resonate deeply with our motto of Service Above Self. Across the country, we are witnessing an inspiring momentum: new satellite clubs being launched, record participation in community health camps, literacy and skill-building projects reaching the unreached, and Rotary's commitment to sustainability growing stronger with tree plantations and water conservation drives.

Equally heartening is the increasing emphasis on youth engagement through Rotaract and Interact, ensuring that the next generation of leaders inherits not just responsibility, but also the spirit of fellowship. India's strong presence at global Rotary forums is another reminder of how our service initiatives are shaping international goodwill.

As editors, it is our privilege to capture these stories of impact and present them to you—not just as updates, but as reminders that every small act of service contributes to a larger movement of hope and transformation. Rotary in India is not only growing in numbers, but also in purpose, compassion, and vision.
